# ATTENTION RESIDENT ELK HUNTERS

If you apply for a controlled elk hunt in 2022, you cannot buy a capped elk zone tag until five (5) days after they go on sale **regardless of whether you draw a controlled hunt elk tag.**

Elk controlled hunts exempt from the waiting period:

- Super Hunts
- Extra antlerless hunts
- Depredation hunts

## IDAHO'S TRESPASS LAW

# ASK FIRST

*Know before you go!*

Note - if private property adjoins or is contained within public lands, the fence line adjacent to public land should be posted with "no trespassing signs" or bright orange/fluorescent paint at the corners of the fence adjoining public land and at all navigable streams, roads, gates and rights-of-way entering the private land from public land and posted in a way that people can see the postings.

It is illegal for anyone to post public land that is not held under an exclusive control lease.

Private posting at navigable streams shall not prohibit access to navigable streams below the high-water mark as allowed by Idaho law.

A property owner may revoke permission at any time. Any person must leave private property when asked to do so by the owner or agent.

A first conviction of trespass on private property carries a mandatory one-year revocation of hunting/fishing/trapping licenses in addition to misdemeanor fine and seizure of animals taken on private property. Federal law prohibits unauthorized trespass on Indian-owned reservation lands for hunting, fishing, or trapping purposes.

**Refer to Idaho Code 36-1603 and I.C. 18-7008.**

### Permission Form

Permission given to (print): \_\_\_\_\_

Dates permission is valid:

from: \_\_\_\_\_  
to: \_\_\_\_\_

General Description of Property: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Landowner Name (print): \_\_\_\_\_

Owner or Agent Signature: \_\_\_\_\_

*A property owner may revoke permission at any time.*

**All persons must have written permission or other lawful form of permission to enter or remain on private land to shoot any weapon or hunt, fish, trap or retrieve game.**

A person should know land is private and they are not allowed without permission because:

- The property is associated with a residence or business;
- OR cultivated;
- OR fenced or enclosed in a way that delineates the private property;
- OR unfenced and uncultivated, but is posted with conspicuous "no trespassing" signs or bright orange/fluorescent paint at all property corners and boundaries where the property intersects navigable streams, roads, gates and rights-of-way entering the land and posted in a way that people can see the postings.

## DIRECTOR SCHRIEVER'S OPEN LETTER TO THE HUNTERS, ANGLERS AND TRAPPERS OF IDAHO

As director of Idaho Fish and Game, it's my priority to maintain Idaho's high-quality hunting, fishing and trapping opportunities. The department and the Fish and Game Commission use biological and social science to manage big game to provide excellent and wide-spread hunting opportunities and quality experiences.

Hunts established in this proclamation represent a balance of the biological potential of our big game populations and the desires of hunters who pursue them. These hunts also represent the diverse range of opportunities that our hunters want. When hunting demand exceeds game supply, or social carrying capacity, the Commission asks hunters to consider choices and weighs the input of hunters when setting seasons.

As an example, in response to complaints about crowding in some areas, the fall 2021 hunting season was the first where nonresident, general-season deer hunters had to choose a hunting unit, and the number of nonresident deer tags in each unit was also limited. Nonresident A and B elk tags in general-season elk zones were also limited. These limits more evenly distribute nonresident hunters across deer and elk hunts instead of allowing nonresident hunters to concentrate in the most popular general-season deer units or elk zones.

The fall of 2021 was an unfortunate milestone for Idaho when it became the 27th state to detect chronic wasting disease (CWD) after 24 years of testing for it. Six animals, including mule deer, white-tailed deer and elk, were found to have CWD, all in Unit 14.

While that was disappointing news for Idaho, the initial assessment indicates, for now, the disease appears to be isolated to a relatively small geographic area within Unit 14 and found in a small fraction of the animals within those herds (less than 5 percent). Limiting the risk of CWD spreading from the area will now be an important consideration in Fish and Game's management strategies and actions.

The best available science associated with CWD tells us that reducing the risk of disease spread means managing infected areas for fewer and younger deer. Because our sampling found the disease before it was widespread and present in a low proportion of the population, we have the opportunity to implement incremental management steps and monitor the effectiveness through continued disease surveillance. The goal is to prevent the spread of the disease outside of Unit 14 by keeping the infection rate low within the herd.

These management changes are about "thinning the herd," not wiping out the herd. Our best estimate is we will be managing for about 80-85 percent of the current mule deer numbers, and there will still be four-point bucks in the population. But it also means hunters will be harvesting fewer 5-year-old bucks and more 3-year-old bucks and harvesting 10 to 15 percent of the does. Intensive testing will continue in Units 14 and 15, as well as adjacent units, to track CWD.

Based on experiences in other CWD-positive states, we know there will be considerable differences of opinions among hunters related to what they think is the appropriate management response to CWD. Those opinions will likely be different for those who hunt in Unit 14 and those who hunt elsewhere and think the highest priority is to contain the disease in its current location.

Some people will think the correct response will be to severely reduce the deer population in the positive area and others will discount CWD as a legitimate concern and advocate for no change in management.

The Commission's initial response to CWD is reasonable based on the current status of the disease. Fish and Game will use hunter-harvested animals for CWD testing and the results provided will inform future "adaptive management" decisions.

The Commission has also charged Fish and Game staff to convene a citizens CWD advisory group that represents a broad array of stakeholders to review CWD information and provide feedback to the Commission and the public. As always, the department will keep hunters and other interested parties informed as this work proceeds.

Regardless of recent events and changes, Idaho still offers amazing big game hunting, and there are hundreds of hunts listed in this proclamation where you can simply buy a tag and go hunting, or apply for a controlled hunt for some premium hunts.

Thank you for supporting Idaho Fish and Game and wildlife conservation in Idaho, and I wish you happy hunting, fishing and trapping in 2021 and beyond.

## GETTING STARTED

### To use this brochure:

This brochure covers only seasons and rules for hunting deer, elk, pronghorn, black bear, mountain lion and gray wolf. Separate brochures contain information about hunting upland game, turkey, furbearer and falconry; waterfowl, crow, dove and sandhill crane; and moose, bighorn sheep and mountain goat.

- Pick the species you want to hunt, then refer to the section on that animal.
- Refer to the map on pages 86 and 87 to find an area to hunt.
- Find the unit numbers on the map and look up the seasons and restrictions for those units.

Big game hunting in Idaho is regulated by numbered game management units. For a map of Fish and Game regions and game management units see pages 86 and 87.

**General seasons** for black bear, mountain lion, mule deer and white-tailed deer are arranged by units.

Some seasons labeled **regular deer** include mule deer and white-tailed deer, other seasons are labeled white-tailed deer only or mule deer only.

General seasons for elk are arranged by larger areas called elk management zones, which are made up of one or more game management units. For a map of elk zones see page 35.

General hunting and trapping seasons for gray wolf are located on pages 80 - 84.

**Controlled hunts** are listed by hunt numbers for controlled hunt areas, which consist of parts of one or more game management units.

Controlled hunt areas are different for each species. For example deer are not the same as controlled hunt areas for elk, pronghorn or black bear.

For an explanation of controlled hunts and how to apply, see pages 108 - 112. When picking a controlled hunt, make sure to use the hunt number from the current year's rule book.

Detailed big game hunting rules and restrictions begin on page 97. License requirements and fees begin on page 114.

### Notes on licenses and tags:

A hunting license is required to hunt. A trapping license is required to trap gray wolf. In addition, a tag is required for all big game species.

## 2022 HUNTING SEASON

### WHAT'S NEW?

#### Chronic Wasting Disease (CWD)

CWD has been detected in Idaho. All deer, elk, and moose harvested in Units 14 and 15 are subject to mandatory CWD testing. See page 8 and visit [idfg.idaho.gov/cwd](http://idfg.idaho.gov/cwd) for more information.

#### Mule Deer, White-tailed Deer

A Regular Deer Tag can no longer be used to hunt in Units 11, 11A, 13, 14, and 18.

Controlled hunt deer seasons in Unit 14 have been added or changed in response to CWD detection.

Five extra antlerless deer hunts in the Clearwater Region were eliminated in response to an outbreak of epizootic hemorrhagic disease in 2021.

#### Pronghorn

Beginning July 1, 2021 any person drawn for a controlled pronghorn hunt (including either sex and doe and fawn) is not eligible to apply the following year for any controlled pronghorn hunt. See page 108 for more information and exceptions.

#### Gray Wolf

Wolf hunting seasons now allow additional hunting methods on private land and in many units, see page 82.

Wolf trapping season in many units begin Sept 10 and include year-round trapping on private land, see page 83.

#### Archery Equipment

Beginning July 1, 2022 it is legal to use mechanical broadheads and lighted nocks in the taking of wildlife during any archery season.

#### Nonresident General Hunt Tag Limit

In 2021 the Idaho Fish & Game Commission established a system to limit general tags available to nonresidents, see page 9.

July 2022- June 2023

### Key Dates

- **May 1 - June 5:** First controlled hunt application period. Successful applicants will be notified and results will be posted at [GoOutdoorsidaho.com](http://GoOutdoorsidaho.com) by early July.
- **August 1:** Deadline to buy controlled hunt tags (excluding unlimited tags), or those tags will be forfeited.
- **August 5 - 15:** Second controlled hunt application period: Successful applicants will be notified by August 25.
- **August 25, 2022:** Leftover tags from second drawing go on sale at 10 a.m. Mountain Time.
- **June 30:** Deadline for depredation hunt application, see page 111.
- For other important dates, see page 108.

### Hunter Responsibilities

**Seasons and rules may change after a booklet is printed.** Changes or corrections are posted online at [idfg.idaho.gov/rules/changes](http://idfg.idaho.gov/rules/changes).

### Chronic Wasting Disease (CWD)

CWD has been detected in Idaho. All deer, elk, and moose harvested in Units 14 and 15 are subject to mandatory CWD testing. For more information see page 8 and visit [idfg.idaho.gov/cwd](http://idfg.idaho.gov/cwd) for the most up-to-date information.

### Hunter Report

If you purchase a deer, elk, or pronghorn tag, you are required to file a Hunter Report for each tag you purchase - even if you did not hunt or did not harvest an animal. Reports must be filed within 10 days of harvest, or 10 days after the season. Report online at [idfg.idaho.gov/hunt/report](http://idfg.idaho.gov/hunt/report) or call toll free 24 hours a day/7 days a week **1-877-268-9365** to speak to a live operator.

### Citizens Against Poaching (CAP)

Call **1-800-632-5999** to report wildlife violators. Callers may remain anonymous and rewards are available.

### Helicopter Surveys and Big Game Capture Operations

Hunters may encounter biologists conducting helicopter surveys and capture operations during late season hunts **December through March**. They will try to avoid flying where hunters are observed.

### Nonresident General Hunt Tag Limit

Limited general tags available to nonresidents. See page 9.

### Motorized Hunt Rule

Know before you go. Avoid conflicts by following all travel management restrictions on lands where you hunt. See Pages 104 - 106.

### Super Hunt

Buy a chance at a Super Hunt Tag, and help pay for more access to hunting and fishing. See page 120.

### Hunt Planner

Pick a species, date and hunt unit to see all that you can hunt. Links to maps, apps and more. See page 59.

### Ask First!

Idaho's trespass law requires written permission or other lawful form of permission from landowners to access private property. See page 2 for 'Permission Form' and page 98 for more details.

# CHRONIC WASTING DISEASE UPDATE

## New for 2022

Chronic wasting disease testing is required for deer, elk, and moose harvested in **Units 14 and 15**. See [idfg.idaho.gov/cwd](https://idfg.idaho.gov/cwd) for instructions and additional information.

## Should I get my deer, elk or moose tested for CWD if I didn't harvest in Units 14 or 15?

- **Yes**, if you harvest in a unit adjacent to Units 14 or 15.
- **Yes**, if you harvest a deer, elk, or moose in any unit that borders Montana, Wyoming, or Utah.
- **Yes**, if you harvest in a unit included in the 2022 rotation strategy for CWD sampling. See [idfg.idaho.gov/cwd/sampling](https://idfg.idaho.gov/cwd/sampling) for a map of units or contact a regional office.
- **Yes**, if you hunt in any other units and are concerned about whether your deer, elk, or moose may be infected with CWD.

## Transporting game from CWD areas

It is unlawful to transport certain parts of deer, elk, or moose outside a designated CWD management zone (currently Units 14 and 15). It is also unlawful to import into Idaho certain animal parts from other states, provinces, and countries with CWD. See [idfg.idaho.gov/cwd/rules](https://idfg.idaho.gov/cwd/rules) for details.

To learn more go to [idfg.idaho.gov/cwd](https://idfg.idaho.gov/cwd)

# ADULT NONRESIDENTS ARE LIMITED FOR GENERAL SEASON ELK, REGULAR DEER AND WHITE-TAILED DEER TAGS

Nonresident hunting licenses go on sale at midnight MST, **Dec. 1** for the upcoming year, followed by nonresident deer and elk tags sold starting at 10 a.m. MST on Dec. 1. Nonresident tags have sold out in recent years, and they can be bought online at **GoOutdoorsIdaho.com**, at (800) 554-8685, at Fish and Game license vendors, and at regional offices during business hours.

The number of tags available for each deer hunting unit and elk zone is available at **idfg.idaho.gov/tag/quotas-nonresident**.

## Nonresident hunters should be aware

- You do not have to buy a hunting license in advance, but you can add it when buying a tag. If a tag is not available, a license sale will not be refunded.
- Hunters should review the most current Big Game Seasons and Rules, which are up-to-date online and know what hunting unit for a deer tag, and/or what elk zone for which you plan to buy a tag.
- Log into your customer account at **GoOutdoorsIdaho.com** to make sure all of your customer information is correct.
- Discounted nonresident Disabled American Veteran (DAV) tags are limited to 300 elk and 500 deer. DAV hunters must submit their qualifications to Fish and Game prior to Dec. 1. If DAV tags sell out, DAV hunters can still buy available nonresident tags at full nonresident prices.
- If nonresident tags are sold out, nonresident hunters can still apply for controlled hunts from May 1 through June 5, but you must buy a hunting license to apply.

## Dates to Remember...

### LICENSES & TAGS

**December 1** Most licenses & general season tags for the upcoming year go on sale.

### CONTROLLED HUNT APPLICATION PERIODS

**Jan 15 - Feb 15**

Spring black bear

**May 1 - June 5**

Deer, pronghorn, elk, & fall black bear

Important: All successful applicants must buy their controlled hunt tags **by Aug 1 or those tags will be forfeited** and placed in the second drawing.

**Aug 5 - Aug 15**

Second application period for unclaimed controlled hunt tags

Want more information?  
Visit us online at **idfg.idaho.gov**

# 2022 DEER HUNTING SEASONS

Hunters with valid Idaho licenses and tags in their possession can hunt mule deer and/or white-tailed deer.

**Bag Limit:** No person may take more than one deer per legal tag in his or her possession.

### Can I purchase more than one deer tag?

Residents and nonresidents may buy one unsold nonresident general season deer and/or elk tag at the nonresident price, starting August 4, to be used as a second tag except second deer tags cannot be used in Units 10, 10A, 12, 16A, 17, 19 and 20. Second elk tags are not available for the Elk City Zone. Extra controlled hunts and depredation hunts also offer the opportunity for hunters to purchase an additional controlled hunt tag. See pages 110 – 111.

**Youth only hunt:** Some deer hunts are for youth only. See pages 111 and 113 for more information.

**Antlered deer:** Deer with at least one antler longer than 3 inches. In "antlered only" seasons, or any hunt with point restrictions, antlers must accompany the carcass while in transit.

**Antlerless deer:** Deer without antlers or with antlers shorter than 3 inches may be taken in a season open for antlerless deer or either sex.

**Two-point deer:** Deer with no more than two points on one side, not including the brow point or tine, and at least one antler longer than 3 inches (as long as a deer has no more than two points on one antler, it may have multiple points on the other antler). A point is an antler projection that is at least 1 inch long and longer than the width of the projection.

**Three-point deer:** Deer having at least one antler with three or more points, not including the brow point or tine.

**Species identification:** In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the carcass.

### Archery and Muzzleloader Permits

Any person hunting in an "archery only" season, including controlled hunts, must have their license with archery permit validation. Any person hunting in a "muzzleloader only" season, including controlled hunts, must have their license with muzzleloader permit validation.

### Nonresident Deer and Elk Tags

A nonresident deer and elk tag, **excluding** a nonresident junior mentored tag, issued for deer or elk may be used to take a black bear, mountain lion, or gray wolf during any open general season corresponding to the deer or elk tag hunt area or unit when the season for the black bear, mountain lion, or gray wolf taken is also open. See page 112.

### Chronic Wasting Disease

See page 8 for more information.

### Attention Resident Deer Hunters!

Resident deer hunters may choose either a regular deer tag or a white-tailed deer tag. The regular deer tag is valid for any hunt listed under "2022 Regular Deer Tag Seasons" on pages 11-15 and may be used to take a mule deer or white-tailed deer during those seasons.

The white-tailed deer tag is valid for white-tailed deer only, for any hunt listed under "2022 White-tailed Deer Tag Seasons" on pages 17 - 20.

Nonresident deer hunters see page 9 for nonresident tag information.

### Legal Deer in Two-Point Hunts

#### Spike Deer

Legal buck under 2-point regulations at least 1 antler is 3 inches or longer.

#### 1 x 2 Point Deer

Legal buck under 2-point regulations.

#### 2 x 2 Point Deer

Legal buck under 2-point regulations. Not legal in 3-point or 4-point hunts.

#### 2 x 3 Point Deer

Legal buck under 2-point regulations. Also legal under 3-point regulations.

Point must be 1 inch or longer.

**Characteristics of a mule deer**

**CAUTION!**  
Antlers on yearling buck white-tailed and mule deer may look similar.

## Attention: Owyhee County Recreationists

Legislation approved in 2009 designated major portions of Owyhee County as wilderness, where access by motorized vehicles is forbidden by law.

A number of access routes were preserved for hunter access. Please check your maps and abide by wilderness regulations.

Maps showing wilderness boundaries can be found at Bruneau, Owyhee and Jarbidge offices of the Bureau of Land Management.

# Access Yes!

*Access Yes!* improves sportsmen’s access to private land or through private land to public land by compensating willing landowners who provide recreational access.

Requirements to use individual properties vary, so plan first. Respect for lands and landowners will help ensure the continued success of this program.

For information on Idaho’s *Access Yes!* program, including maps of enrolled properties, see the **Hunting Section** on the Fish and Game website at: [idfg.idaho.gov](http://idfg.idaho.gov). *Access Yes!* guides are also available at your local Idaho Fish and Game office.

*Support Sportsmen Access!*

# Idaho's Mule Deer Initiative

**I**mproving mule deer habitat and mule deer hunting continue to be high priorities for Idaho Fish and Game. Through the department's Mule Deer Initiative, we continue to work with private landowners and land management agencies to:

- *Protect and improve habitat*
- *Improve mule deer numbers*
- *Provide a variety of hunting opportunities*

Getting things done for mule deer requires partnerships. We're currently working with:

- **The Bureau of Land Management** and **The Mule Deer Foundation** to restore critical winter range in the Bennett Hills and the South Hills in southern Idaho

- **The Forest Service**, including the **Caribou-Targhee, Salmon-Challis** and **Sawtooth National Forests**, and **Bureau of Land Management** to restore aspen stands which are critical during fawning
- **The Idaho Transportation Department** to design and construct crossing structures to minimize deer/vehicle collisions
- **The Farm Service Agency** and **Natural Resources Conservation Service** to improve hundreds of thousands of private land acres for mule deer and other wildlife across southeast Idaho

If you're interested in improving your property for mule deer, contact your regional Fish and Game office.

**CONTROLLED  
DEER**

**Outfitted Allocation controlled hunts:**

Before submitting an application for an outfitter-allocated controlled hunt, hunters must have a written agreement with an outfitter licensed in the hunt area. Successful applicants must hunt with an outfitter licensed for the hunt area. The outfitter must purchase the hunter's tag on or before September 10 or the next business day (if September 10 is on a weekend). Successful applicants authorize Idaho Fish and Game to provide names and addresses to the outfitters licensed for that controlled hunt. For a list of licensed outfitters in the applicable controlled hunt area, a sample written agreement, and additional information contact the Idaho Outfitters and Guides Licensing Board at: [oglb.idaho.gov](http://oglb.idaho.gov) or by calling 208-327-7380.

# got ear tag?

— please contact us —

Immobilizing drugs are sometimes used to capture and restrain wildlife for management, research, and public safety purposes and these animals are always marked with an ear tag.

If you harvest an animal with an ear tag, please contact Fish and Game's wildlife health laboratory at **208-939-9171** or the nearest Fish and Game Regional office, to determine the time period the drugs were used and if you can safely consume the meat .

Bear, mountain lion and wolf hunters who do not intend to consume the meat should also contact Idaho Fish and Game, as the information you provide is important to help track their survival and seasonal movements of these animals.

# 2020 ELK POPULATION STATUS BY ELK ZONE

Elk populations fluctuate constantly in response to weather, predation, land management actions, fire events, invasive species, private land use, and development. To maintain elk hunting experiences desired by sportsmen, the Idaho Department of Fish and Game manages herds within desired ranges by adjusting hunting seasons and hunter numbers

Elk herds currently are within or above management objectives in 16 of 22 elk management zones that have established numeric objectives for number of cow elk, and in 17 of 22 zones with set objectives for number of bull elk. Hunting opportunities in these zones range from trophy quality bull hunts to “extra” cow hunts. In zones currently below objectives, Fish and Game is working hard to improve elk survival and increase the populations by reducing or eliminating cow harvest, adjusting bull harvest, and intensively managing predators to reduce the impacts of predation on those herds.

Changing conditions and management challenges have always been part of the landscape, but with responsive management and more than 120,000 elk, Idaho continues to provide an incredible variety of excellent elk hunting opportunities desired by sportsmen.

For additional information on elk management objectives and hunter success rates, please visit our website at: [idfg.idaho.gov/hunt/elk](http://idfg.idaho.gov/hunt/elk).

to provide high quality hunting opportunities, maintain availability of general season hunts with over-the-counter tag sales, and minimize conflicts with agriculture. Fish and Game also works closely with land managers and private landowners to ensure the existence of high quality elk habitat throughout the state. In 2014 the boundaries of a few elk zones were modified to better match up with elk populations and their seasonal movements.

ELK

# 2022 ELK HUNTING SEASONS

Elk hunting is managed in 28 elk zones. Idaho has a two-tag system to offer elk hunters the most general season choices. Hunters may select one zone and choose either an "A tag" or a "B tag" for that zone. Some zones offer only an A tag. In general, A tags provide more opportunity for muzzleloader and archery hunters, and B tags provide more opportunity for centerfire rifle hunters.

**Bag Limit:** No person may take more than one elk per legal tag in his or her possession.

### Can I purchase more than one elk tag?

Residents and nonresidents may buy one unsold nonresident general season deer and/or elk tag at the nonresident price, starting August 4, to be used as a second tag except second deer tags cannot be used in Units 10, 10A, 12, 16A, 17, 19 and 20. Second elk tags are not available for the Elk City Zone. Extra controlled hunts and depredation hunts also offer the opportunity for hunters to purchase an additional controlled hunt tag. See pages 110 – 111

**Antlered elk:** Only elk with at least one antler longer than 6 inches may be taken in any season which is open for antlered elk only. In antlered seasons, including spike-only, antlers must accompany the carcass while in transit.

**Antlerless elk:** Only elk without antlers or with antlers shorter than 6 inches may be taken in any season which is open for antlerless elk only.

**Spike elk:** Only elk with no branching on either antler and at least one antler longer than 6 inches may be taken in any season which is open for spike elk only. A branch is an antler projection at least 1 inch long and longer than the width of the projection.

**Brow-tined elk:** Only elk having at least one antler with a visible point on the lower half of the main beam which is 4 inches or greater in length may be taken in any season open for brow-tined elk only.

### Archery & Muzzleloader Permits

Any person hunting in an "archery only" season, including controlled hunts, must have their license with archery permit validation. Any person hunting in a "muzzleloader only" season, including controlled hunts, must have their license with muzzleloader permit validation.

**Youth Only Hunt:** Some elk hunts are for youth only. See page 111 for more information.

### Junior Resident General Elk Tag

Junior resident elk hunters who purchase a general season elk zone tag while they are between ages 10 and 17, inclusive, may participate in any A or B tag elk season within the specified zone until they are 18 years of age, regardless of whether they purchased an A tag or B tag. All other season, weapon restrictions, and commission rules apply. Controlled hunts are excluded.

### Nonresident Deer and Elk Tags

A nonresident deer and elk tag, **excluding** a nonresident junior mentored tag, issued for deer or elk may be used to take a black bear, mountain lion, or gray wolf during any open general season corresponding to the deer or elk tag hunt area or unit when the season for the black bear, mountain lion, or gray wolf taken is also open. See page 112.

**Chronic Wasting Disease:** See page 8 for more information.

### Legal in spike elk hunts SPIKE ELK

One antler must be at least 6 inches or longer. (Not legal in brow-tined elk hunts.)

### Not legal in spike elk hunts or brow-tined elk hunts

### BRANCH ANTLERED BULL (or larger)

Not legal for spike-only hunts if branched point is longer than 1 inch.

Antler branch is a projection 1 inch or more in length.

### Legal in brow-tined elk hunts

### Caution - Archers and Muzzleloaders:

"Any weapon" hunts will be open during the archery or muzzleloader season in all or parts of the following zones: Panhandle, Palouse, Salmon, Weiser River, McCall, Lemhi, Beaverhead, Brownlee, Pioneer, Boise River, Smoky-Bennett and South Hills. **Please use appropriate caution.**

### ELK GENERAL SEASON SPECIAL AREA DEFINITIONS AND DESCRIPTIONS

**Notes:**

1. “Private agricultural lands” are defined as privately-owned lands that are used for growing or storing plants for profit, in the form of pasture or stored feed for animal production, croplands, nurseries, vineyards, or orchards, but which do not include private timberlands.
2. “Private irrigated agricultural lands” are defined as private *irrigated* lands that are used for growing or storing plants for profit, in the form of pasture or stored feed for animal production, croplands, nurseries, vineyards, or orchards, but which do not include private timberlands.
3. **Outside the National Forest System Boundary in Lemhi, Beaverhead, Brownlee, and Pioneer Zones: — Antlerless Hunts:** These hunts are open only outside the National Forest System Boundary on or within 1 mile of private agricultural lands which is defined as private lands that are used for growing or storing plants for profit, in the form of pasture or stored feed for animal production, croplands, nurseries, vineyards, or orchards, but which do not include private timberlands. The National Forest System Boundary is a legislatively set boundary — it is not necessarily the boundary of Forest Service property. State, private and other lands within the National Forest System Boundary are not open to hunting during this season. (Please refer to a U.S. Forest Service map for the location of this boundary.)

# HAVE YOU SEEN THIS →

Idaho Fish and Game has confirmed a case of Treponema Associated Hoof Disease (TAHD) in an elk harvested near Whitebird, Idaho in 2018. This is the first animal diagnosed with this disease in Idaho. Elk affected with TAHD are still safe to consume. Fish and Game is asking people to report elk that appear to have trouble walking, or that have odd-looking hooves.

### Outfitted controlled hunts:

Before submitting an application for an outfitter-allocated controlled hunt, hunters must have a written agreement with an outfitter licensed in the hunt area. Successful applicants must hunt with an outfitter licensed for the hunt area. The outfitter must purchase the hunter's tag on or before September 10 or the next business day (if September 10 is on a weekend). Successful applicants authorize Idaho Fish and Game to provide names and addresses to the outfitters licensed for that controlled hunt. For a list of licensed outfitters in the applicable controlled hunt area, a sample written agreement, and additional information contact the Idaho Outfitters and Guides Licensing Board at [oglb.idaho.gov](http://oglb.idaho.gov) or by calling 208-327-7380.

CONTROLLED ELK

# PRONGHORN CONTROLLED HUNTS

For details on controlled hunt rules and restrictions please see pages 108 - 112.

**Hunters: Please check Pronghorn Controlled Hunt Area descriptions on page 69. Hunt Areas may change.**

All pronghorn hunting, including archery seasons, is by controlled hunt.

Doe or fawn only: Only pronghorn without a black cheek patch or with horns less than 3 inches long may be taken during doe or fawn only pronghorn seasons. To participate in an archery only pronghorn hunting season, hunters must have in their possession an archery permit in addition to required license and tag.

### Attention Pronghorn Archery Hunters!

Don't give your sport a black eye. Did you know that leaving blind material is considered littering? And, digging pits on federal land is a violation of federal law? For more information, see page 98 or contact your local Bureau of Land Management office.

### Youth Only Hunt

See page 111 for more information.

## HUNTING PASSPORT

*There is simply no better way to introduce a new hunter to the safe, ethical and responsible aspects of hunting than with the close supervision of an adult mentor.*

Idaho's Hunting Passport is a component of Fish and Game's mentored hunting program. The Hunting Passport allows any first-time hunter, resident or nonresident, age 8 and older to try hunting with an adult mentor without first having to complete an Idaho hunter education course.

- Hunting Passports are only available to first time hunters. Those that have previously held a hunting license in any state are not eligible.
- Hunter Education certification is not needed to obtain a Hunting Passport. If an individual has completed a Hunter Education course but has not yet purchased a license, they are eligible for a Hunting Passport.
- The minimum age to hold a Hunting Passport is eight years of age; there is no maximum age.
- Must be 10 years of age to hunt big game, turkey and sandhill crane; 8 years of age to hunt other game birds, upland game animals, furbearers, predatory or unprotected species.

**NOTE:** A new rule allows Hunting Passport holders who are 8 or 9 years of age to purchase turkey tags to participate in the following turkey hunts: general season, general youth-only, depredation, and landowner permission hunts with the appropriate landowner

permission permit. Hunting Passport holders are not eligible to participate in controlled hunts.

- The Hunting Passport is a calendar year item just like a hunting license and expires on December 31 of the year in which it was obtained.
- Only one Passport can be purchased in a lifetime—except an 8 year-old who has obtain a Passport may obtain an additional Passport each year until reaching ten years of age. To continue hunting after the Passport expires, completion of a hunter education course and license purchase is required.
- Available at license vendors, online and Fish and Game regional offices.
- Cost is \$1.75.

## General Rules

**Bag Limit:** No person may take more than one black bear per legal tag in his or her possession.

**Female Black Bear With Young:** No female black bear accompanied by young may be taken.

**Retrieving Meat:** Hunters are not required to retrieve meat from a harvested black bear.

**Evidence of Sex:** For black bears, external evidence of sex (either scrotum, penis, or testicles for males or vulva for females) must be left naturally attached to the hide until the mandatory check requirement has been satisfied.

**Capturing Black Bears:** No person may trap, snare or otherwise capture or hold black bears.

**Dump Grounds:** No person may hunt or pursue black bears at any time within 200 yards of the perimeter of any designated dump ground or sanitary landfill.

**Mandatory Check and Report:** Any hunter harvesting a black bear must, **within 10 days of kill:**

- Present the skull and hide to an Idaho Fish and Game regional office, official check point, or a Fish and Game conservation officer for removal and retention of a premolar tooth and to have the hide tagged with an official state export tag. No person, who does not possess a fur buyer or taxidermist license with appropriate import documentation, shall have, **except** during the open season and for 10 days after the close of the season, any raw black bear pelt that does not have an official state export tag attached (either Idaho's or another state's official export documentation).
- A hunter may authorize another person to comply with the above requirements if that person possesses enough information to accurately complete the necessary form. Proxy statement required, see page 102.
- **Please thaw your black bear hide and skull before bringing it in for tagging. Staff members may not be able to check a frozen hide or skull.**

Fish and Game's headquarters office is not equipped to check in bears. For regional office locations and phone numbers see page 4.

## Controlled Hunts

- Apply for spring controlled hunts **Jan 15 - Feb 15**
- Apply for fall controlled hunts **May 1 - June 5**

Hunters who already have a general season bear tag may exchange their general season bear tag for the appropriate controlled hunt tag. Alternatively, they may keep their general season bear tag and purchase a controlled hunt bear tag.

## Resident Second Tags

Residents may purchase a second black bear tag for Units 4, 4A, 6, 7, 9, 10, 12, 14, 15, 16, 16A, 17, 19, 20, 20A, 26, 27, and those portions of Units 21 and 28 within designated wilderness.

## Nonresident Reduced and Second Tags:

Nonresident tag prices are reduced for black bear in Units 4, 4A, 6, 7, 9, 10, 12, 14, 15, 16, 16A, 17, 19, 20, 20A, 26, 27, 33, 34, 35, 36 and those portions of Units 21 and 28 within designated wilderness. Nonresidents may purchase up to two (2) general season black bear tags. General season full-priced and reduced-price tags may be used as described below:

- Two (2) reduced-price black bear tags for use in Units 4, 4A, 6, 7, 9, 10, 12, 14, 15, 16, 16A, 17, 19, 20, 20A, 26, 27 and those portions of Units 21 and 28 within designated wilderness. **These are the only units where a second black bear tag may be used.**
- **OR** One (1) full-priced black bear tag in any general season in the state and one (1) reduced-price black bear tag valid in areas where a second black bear tag may be used.
- **OR** One (1) reduced-price black bear tag for use in Units 33, 34, 35, and 36 and one (1) reduced-price black bear tag valid in Units where a second black bear tag may be used.

**Nonresident Deer or Elk tags:** A nonresident deer and elk tag, **excluding** a nonresident junior mentored tag, issued for deer or elk may be used to take a black bear, mountain lion, or gray wolf during any open general season corresponding to the deer or elk tag hunt area or unit when the season for the black bear, mountain lion, or gray wolf taken is also open. See page 112.

## Bait

**Bait for hunting is any substance placed to attract game animals. Bait may be used to hunt black bears but only under the following conditions:**

- No parts of animals or fish that are currently classified as game animals or game fish in Idaho may be used as bait. This includes game animals and fish that come from the wild and commercial domestic sources (i.e., pen-raised game birds/ animals or hatchery-raised game fish).
- The skin must be removed from any mammal parts or carcasses used as bait.
- No person shall use salt in any form (liquid or solid) for bait.

**Time:** No bait or bait containers may be placed for the purpose of attracting or taking black bears before the opening of black bear take season, except in Units 10, 12, 16A, 17, 19, 20, 20A, 26, and 27, where bait may be placed up to 7 days before the take season.

- All bait containers and materials must be removed, and all excavations refilled, no later than 7 days after the close of spring, fall, or dog training season.

**Location:** No bait site may be located within 200 feet of any water (lake, pond, reservoir, or year-round free-flowing stream or spring).

In all regions **except** the Panhandle and Clearwater regions, no bait site may be located within 200 yards from any maintained trail or any established roadway that is open to the general public for motorized traffic and capable of being traveled by full-sized automobiles. In the Panhandle and Clearwater regions, no bait site may be located within 200 feet from any maintained trail or any established roadway that is open to the general public for motorized traffic and capable of being traveled by full-sized automobiles.

An established roadway is defined as any road that is established, built, maintained, approved or designated by any government entity or private landowner for the purpose of travel by full-sized automobiles. An established roadway shows evidence of repeated use by full-sized automobiles, and may include a traveled way of natural earth with depressed wheel tracks and little or no vegetation in the tracks.

- No bait site may be located within one-half mile of any designated campground or picnic area, administrative site, or dwelling.

**Containers:** No bait may be contained within paper, plastic, glass, metal, wood, or other nonbiodegradable materials, **except** that a single metal container with a maximum size of 55 gallons may be used if securely attached at the bait site.

- No bait may be contained in any excavated hole greater than 4 feet in diameter.

**Establishment of Bait Sites:** Any structures constructed at bait sites and all materials must be removed by the permit holder within 7 days after the close of the spring and fall black bear seasons.

- All bait sites must be visibly marked at the nearest tree or on the bait container using a site tag issued by Fish and Game.

**Baiting Permits:** All persons placing bait must possess a baiting permit issued by Fish and Game. Baiting permits are issued by mail or in person at Fish and Game offices beginning March 1 of each year.

- Baiting permits will be valid in the calendar year for which they are issued.
- A hunter may possess only one Fish and Game baiting permit each year and may maintain up to three bait sites. The number of bait sites maintained by licensed outfitters may be specified by the land management agency in the outfitter’s operating plan.
- Bait site tags are valid for spring and fall seasons in the calendar year for which they are issued.
- No person may hunt over an unlawful bait site.
- Guides and clients of outfitters are not required to obtain a baiting permit, but they must have a copy of the outfitter’s permit in their possession while hunting over a bait site.
- Possession of a Fish and Game baiting permit does not exempt the permit holder from any restrictions placed on users of federal, state or private lands.

## Grizzly Bear or Black Bear?

Grizzly bears and black bears both live in Idaho.

### AVOID MISTAKEN IDENTITY

Grizzly bears may be found in 3 areas of Idaho:

- The Panhandle in big game units 1, 2, 3, 4, 4A, 6, 7 and 9
- The Clearwater Region in big game units 10, 12, 14, 15 16, 16A and 17
- Southeast Idaho in the Yellowstone Ecosystem in big game units 60, 61, 62, 62A, 64, 65, 66 and 67.

### General Rules

**Kittens, Female With Young:** Neither spotted mountain lion young nor female mountain lions accompanied by spotted young may be taken.

**Evidence of Sex** must be left attached to the hide of any mountain lion taken. For mountain lions, external evidence of sex (either scrotum, penis, or testicles for males, or vulva for females) must be left naturally attached to the hide until the mandatory check requirement has been satisfied.

**Retrieving Meat:** Hunters are not required to retrieve meat from a harvested lion.

**Bag Limit:** No person may take more than one mountain lion per legal tag in his or her possession.

**Capturing Mountain Lions:** No person may trap, snare or otherwise capture or hold any mountain lion.

**Big Game Feeding Sites:** It is unlawful to hunt or pursue mountain lions within one-half mile of any active Fish and Game big game feeding site.

**Mandatory Check and Report:** Any hunter harvesting a mountain lion must check and report their kill **within 10 days of the date of kill**. To check their kill hunters must:

- Present the skull and hide to an Idaho Fish and Game conservation officer, regional office or other official checkpoint for removal and retention of a premolar tooth and to have the hide tagged with an official state export tag. No person, who does not possess a fur buyer or taxidermist license with appropriate import documentation, shall have, except during the open season and for 10 days after the close of the season, any raw mountain lion pelt that does not have an official state export tag attached (either Idaho's or another state's official export documentation).

- A hunter may authorize another person to comply with the above requirements if that person possesses enough information to accurately complete the necessary form. Proxy statement required, see page 102.
- **Please thaw your mountain lion hide and skull before bringing it in for tagging. Staff members may not be able to check a frozen hide or skull.**

Fish and Game's headquarters office is not equipped to check in mountain lions. For regional office locations and phone numbers see page 4.

### Hound Hunting

Please see the section on hound hunting rules on page 101.

### Electronic Calls

Electronic calls may be used to attract mountain lions for the purpose of harvest; **except** the use of calls are limited in Units 1, 60, 60A, 61, 62, and 62A to avoid potential conflicts with grizzly bears and in Units 21 and 28.

### Resident Second Tags

Residents may purchase a second mountain lion tag for Units 4, 4A, 6, 7, 9, 10, 11, 12, 14, 15, 16, 16A, 17, 19, 20, 20A, 26, 27 and those portions of Units 21 and 28 within designated wilderness.

### Nonresident Reduced and Second Tags:

Nonresident tag prices are reduced for mountain lion in Units 4, 4A, 6, 7, 9, 10, 12, 14, 15, 16, 16A, 17, 19, 20, 20A, 26, 27, 33, 34, 35, 36 and those portions of Units 21 and 28 within designated wilderness. Nonresidents may purchase up to two (2) general season mountain lion tags. General season full-priced and reduced-price tags may be used as described below:

- Two (2) reduced-price mountain lion tags for use in Units 4, 4A, 6, 7, 9, 10, 12, 14, 15, 16, 16A, 17, 19, 20, 20A, 26, 27 and those portions of Units 21 and 28 within designated wilderness. **These are the only units where a second mountain lion tag may be used.**
- **OR** One (1) full-priced mountain lion tag in any general season in the state and one (1) reduced-price mountain lion tag valid in areas where a second mountain lion tag may be used.
- **OR** One (1) reduced-price mountain lion tag for use in Units 33, 34, 35, and 36 and one (1) reduced-price mountain lion tag valid in Units where a second mountain lion tag may be used.

**Nonresident Deer or Elk tags:** A nonresident deer and elk tag, **excluding** a nonresident junior mentored tag, issued for deer or elk may be used to take a black bear, mountain lion, or gray wolf during any open general season corresponding to the deer or elk tag hunt area or unit when the season for the black bear, mountain lion, or gray wolf taken is also open. See page 112.

1. Motorized vehicle use as an aid to hunting for mountain lion is restricted August 30 through December 31 to established roadways open to motorized vehicle traffic capable of travel by full-sized automobiles - any motorized vehicle with a gross vehicle weight of 1,500 pounds, see pages 104 - 106.

## LEAVE TRAPS AND TRAPPED ANIMALS ALONE

Hunters and others may encounter a legally set trap, and possibly wildlife caught in a trap. It is illegal to disturb traps, remove wildlife caught in them, or kill any wildlife in a trap. Violators can be punished under state law.

If you are concerned about a trap or captured animal you encountered, contact a regional Fish and Game office.

People hunting with dogs, or people walking pets off leash in areas where trapping may occur, should become familiar with how to safely remove a pet from a trap. **Details are available on page 43 of the Upland Game, Turkey, and Furbearer seasons and rules booklet or at [idfg.idaho.gov/trap](http://idfg.idaho.gov/trap)**

Regulated trapping is an important management tool and a legal activity in Idaho. Trapping provides many benefits to Idahoans by reducing wildlife damage to crops and property, mediating threats to human health and safety, and trapping is also used to monitor many species of furbearing mammals.

# 2022-2023 GRAY WOLF HUNTING & TRAPPING SEASONS & GENERAL RULES

WOLF

## Bag Limit

There is not a daily or season limit on wolves. No person may take more wolves than the number of legal tags they possess. Either sex may be taken.

## Wolf Tags

**Tag Valid Dates:** Wolf tags bought with a hunting license are valid for the calendar year. Wolf tags bought with a trapping license are valid for the trapping year (July 1- June 30).

**Nonresident Deer or Elk tags:** Hunters may use an unfilled nonresident deer or elk tag to take a gray wolf during the open season corresponding to the deer or elk tag hunt area or unit when gray wolf season is also open. See page 112.

**Tag Use for Wolf Hunting (wolves not restrained by traps):** Persons with valid hunting licenses may use valid wolf tags bought under either hunting licenses or trapping licenses to take wolves in compliance with hunting seasons and rules.

**Tag Use for Wolf Trapping:** Persons trapping for wolves must possess a valid trapping license, with a Wolf Trapper Education course validation. Trappers meeting these requirements may use valid wolf tags bought under either hunting licenses or trapping licenses to take wolves by trapping in compliance with trapping seasons and rules.

## General Rules for Hunting and Trapping

**Tags:** Tags must be validated and securely attached immediately upon harvesting a wolf.

**Mandatory Check and Report:** Any hunter or trapper harvesting a gray wolf must, **within 10 days of date of kill:**

- Present skull and portion of the hide, with evidence of sex attached, to an Idaho Department of Fish and Game (IDFG) office or a Fish and Game conservation officer (for removal/retention of premolar tooth and tagging of the hide with an official state export tag). No person may possess any raw gray wolf pelt, except during the time period after lawful harvest allowed for mandatory check, without an official state export tag attached, unless that person possesses a furbuyer or taxidermist license or appropriate import documentation.
- A hunter or trapper may authorize another person to comply with the mandatory report, provided that person has enough information to accurately complete the necessary form. Proxy statement required, see page 102.
- **Please thaw your gray wolf hide and skull before bringing it in for tagging. Staff members may not be able to check a frozen hide or skull.**

**Wolves with Radio Collars:** Return any radio collars on harvested wolves at the time of mandatory check.

**Evidence of Sex:** External evidence of sex (scrotum, penis, or testicles for males, or udder or vulva for females) must be left naturally attached to the hide, or portion of the hide, until the mandatory check requirement has been satisfied.

**Retrieving Meat:** There is no requirement to retrieve meat from a harvested wolf.

**Big Game Feeding Sites:** It is illegal to hunt, trap or pursue wolves within one-half mile of any active Idaho Fish and Game big game feeding site.

**Weapons Restrictions:** Same as for other big game animals, see page 100. Except it is legal to dispatch a trapped gray wolf with any rifle or handgun.

**Electronic Calls:** E-calls may be used to attract wolves.

**Telemetry:** It is illegal to take wolves using radio telemetry.

**Dogs:** It is illegal to use dogs to pursue wolves.

**Bait:** Hunting big game over bait is illegal, except for black bears. Wolves may be taken incidentally to bear baiting. See pages 71-72.

**Hunting with Aircraft:** The Federal Airborne Hunting Act prohibits recreational hunting from aircraft.

**Poison:** It is illegal for hunters or trappers to use poison to take wolves. Federal law restricts use of poison for animals.

**Sanitary Landfill or Designated Dump:** It is illegal to hunt wolves within 200 yards of the perimeter of any designated dump or sanitary landfill.

**Hunting Hours:** Hunting hours are from one-half hour before sunrise to one-half hour after sunset.

## Special Wolf Hunting Seasons Allowing Expanded Hunting Methods

During **only** those hunting seasons designated on page 82 as “Expanded hunting methods”:

- **Weapons:** Weapons restrictions (page 100) do not apply.
- **Bait:** Bait for wolf hunting is allowed on private lands with landowner permission. It is not legal to use edible meat portions of any game bird or animal, except legally salvaged road kill. For more information and to complete the required form to legally salvage road kill visit [idfg.idaho.gov/species/roadkill](http://idfg.idaho.gov/species/roadkill) or call a Fish and Game office, see page 4. Except for wolf hunting incidental to legal baiting with a black bear bait permit or incidental to legal trapping, placing bait on federal land for hunting wolves is subject to federal prosecution (as illegal dumping). Hunting over carcasses or animal parts that have not been placed as bait for hunting is legal.
- **Hunting Hours:** A hunter may take wolves outside of hunting hours, only if:
  - On private land, the hunter is the landowner or has written permission from the landowner to hunt outside of hunting hours.
  - On public land (government-owned land), the hunter has obtained a permit from IDFG to hunt outside of hunting hours. IDFG permits may be obtained from Regional Offices. See page 98 for public lands closed to hunting.
- **Motorized Vehicles:** Motorized vehicle restrictions for hunting do not apply (see pages 104-106); however, government or private landowner motorized access restrictions

may still apply. It is also still illegal to shoot from or across any public highway (the traveled portion of, and the shoulders on each side of, any road maintained by any government entity for public travel, including all bridges, culverts, overpasses, fills, and other structures within the limits of the right-of-way of any such road).

- **Dogs:** Hunters may use dogs to pursue wolves. No hound hunter permit is required.

## Wolf Trapping Rules

A person must attend a wolf trapper education class and have a valid trapping license before trapping for wolves. Information on Wolf trapper classes is posted on the Fish and Game website at [idfg.idaho.gov/hunt/education](http://idfg.idaho.gov/hunt/education).

**Methods of take:** Ground sets are the only legal set allowed for trapping gray wolves. Ground sets are defined as any foothold trap or snare originally set in or on the land, including any traps elevated up to a maximum of thirty-six (36) inches above the natural ground level. Size restrictions on body-gripping traps mean they are not allowed for wolves.

It is illegal:

- To use any set within thirty (30) feet of any visible bait.
- To use a dirt hole set with bait unless the bait remains covered at all times to protect raptors and other meat-eating birds from being caught accidentally.
- To place any ground set on, across, or within ten (10) feet of the edge of any maintained unpaved public trail designated by any city, county, state, or federal transportation or land management agency on the most current official map of the agency.
- To place any ground set on, across, or within any public highway; EXCEPT ground sets may be placed underneath bridges and within and at culverts that are part of a public highway right-of-way. Public highway is defined as the traveled portion of, and shoulders on each side of, any road maintained by any governmental entity for public travel, and includes all bridges, culverts, overpasses, fills, and other structures within limits of the right-of-way of any such road.
- To place any ground set incorporating snare, trap, or attached materials within three hundred (300) feet of any designated public campground, trailhead, paved trail, or picnic area. Cage or box live traps are permitted within three hundred (300) feet of designated public campgrounds, trailheads, paved trails, or picnic areas as allowed by city, county, state, and federal law.
- To place any ground set snare without a break-away device OR cable stop incorporated within the snare loop.
- To place any foot-hold trap with an inside jaw spread greater than nine (9) inches.
- To place any ground set body-gripping trap that has a maximum jaw opening when set, of greater than seven and one-half inches measured from the inside edges of the body gripping portions of the jaws, within thirty (30) feet of any bait, lure or other attractant.
- To trap wolves within two hundred (200) yards of the perimeter of any designated dump or sanitary landfill, or within ½ mile of any active Department big game feeding site.

- To use the edible portions (meat) of a domestic or wild origin game bird, big game, upland game, game fish or any part of protected nongame wildlife, or to use live animals as bait or an attractant. See the following exceptions.

### Except it is legal:

- To trap wolves beyond thirty (30) feet of a naturally killed big game species as long as the carcass is left undisturbed.
- To trap wolves beyond thirty (30) feet of a legally-salvaged road kill. For more information and to complete the required form to legally-salvage road kill visit our website at [idfg.idaho.gov/species/roadkill](http://idfg.idaho.gov/species/roadkill) or call a Fish and Game office, see page 4.

**Dispatch:** Trapped gray wolves may be dispatched any time of day or night with any rifle or handgun.

**Bait:** Bait for trapping is any animal parts; except bleached bones or liquid scent.

**Incidental Wolf Take:** Trappers who do not have wolf tags, but capture a wolf while targeting other species, should contact the nearest Fish and Game Office immediately. If trappers are unable to contact Fish and Game, they should release the wolf and report the capture to the nearest Fish and Game Office as soon as possible.

### Caution about Non-Target Catch of Endangered Species:

Non-target capture of endangered species (such as grizzly bear and lynx) or other federally protected animals is not authorized for trappers targeting wolves, and non-target captures are subject to federal prosecution. Wolf trappers should avoid locations (such as the Panhandle and Greater Yellowstone Area) at times when endangered species may be captured (such as when grizzly bears are out of dens). Trappers who capture endangered species should contact the nearest Fish and Game Office for help with safe release of the animal or other assistance, see page 4.

**Release of Non-Target Catches:** Non-target species are defined as any species caught for which the season is closed or is in excess of the trapper's limit. **All non-target species caught alive shall be released immediately.** If difficulty is encountered releasing a trapped fisher, wolverine, lynx, mountain lion, or wolf please contact Fish and Game immediately for assistance, see page 4.

Any trapper who catches a non-target species that is dead shall:

- Promptly record the date and species of the animal caught.
- Report the catch on the mandatory furtaker harvest report form.
- Remove the animal from the trap and take it into possession.
- Notify Fish and Game through the local conservation officer or the nearest Fish and Game Office within seventy-two (72) hours to make arrangements, see page 4.
- Fish and Game will reimburse trappers \$10 for each lynx, wolverine, bobcat, or fisher caught accidentally and turned in. A \$10 reward will also be paid for otters accidentally taken after the regional quota has been met.

**Closed Statewide:** There is no open season for fisher, kit fox, lynx or wolverine.

## Traps

**Checking Traps:** Wolf trappers must visit every trap or snare at least once every seventy-two (72) hours and remove any catch therein.

**Removing Trapped Wolves of Another:** No person shall remove a wolf from the trap or snare of another; except licensed trappers with wolf trapper education, a valid wolf tag issued to the trapper removing the wolf, AND written permission from the owner of the trap or snare. Any person that removes a wolf from a trap must immediately validate their own wolf tag and attach it to the wolf.

## Tags for Traps

All traps or snares set for wolves must have attached to the snare or the chain of every trap, a metal tag bearing in legible English the name and current address of the trapper; or a six-digit number assigned by Fish and Game as it appears on your trapping license adjacent to TRAPPER ID.

**For additional trapping rules, see the current Upland Game, Furbearer & Turkey Seasons and Rules.**

### Be a Proud Trapper by being a Good Representative of Trapping.

Trappers are encouraged to use warning signs to inform recreational users that traps or snares are in the area. Trappers may print off copies of the signs from [idfg.idaho.gov/trap](http://idfg.idaho.gov/trap) and post them near their trap lines. Using warning signs is voluntary.

The sign is a courtesy of Idaho Fish and Game in cooperation with the Idaho Trapper's Association.

# IDAHO'S MANDATORY TRAPPER EDUCATION COURSE

Idaho trappers who purchase their first trapping license after June 30, 2011 are now required to attend a mandatory trapper education course before they can purchase an Idaho trapping license. Course is a mixture of classroom instruction and field experience.

- Learn the best tools, methods, and locations for safe and responsible trapping to avoid catching non-target animals, as well as how to minimize impacts on others.
- Cost at regional office: \$8.00  
Online Registration Cost: \$9.75

For more information please visit:  
[idfg.idaho.gov/trap](http://idfg.idaho.gov/trap) or contact your  
nearest Fish and Game office.

WOLF

## TRAPPERS! MINIMIZE NON-TARGET CATCHES!

### SNARES ARE AN IMPORTANT AND EFFECTIVE TOOL IN WOLF HARVEST MANAGEMENT

*Any person wishing to trap wolves must first participate  
in an Idaho wolf trapper education/certification course.*

- **Diverters:** Diverters are optional. However diverters have been demonstrated to be effective in reducing non-target capture of moose. Consider including diverters in areas where moose are present.
- **Best tools to avoid non-target catches:**
  - **Site Location:** Avoid setting snare on trails that are used by many species. Look to use secondary and tertiary trails.
  - **Minimum Loop Stops:** The primary objective of the loop stop is to allow inadvertent foot catches of elk, deer, etc. to self-release.
  - **Breakaway Devices:** This is the most effective part of the snare set-up to minimize mortality of non-target elk and moose without reducing the effectiveness for catching wolves.

## GENERAL WILDLIFE LAWS

For complete laws and rules, See Idaho laws and administrative code [idfg.idaho.gov/title36](http://idfg.idaho.gov/title36) and [adminrules.idaho.gov/rules/current/13/](http://adminrules.idaho.gov/rules/current/13/).

All hunters must have a valid Idaho hunting license or hunting passport and the appropriate tags or permits in their possession while hunting.

### Hunting Hours

Big game animals may be hunted only from one-half hour before sunrise to one-half hour after sunset.

### Definition of Hunting

Hunting means chasing, driving, flushing, attracting, pursuing, worrying, following or on the trail of, shooting at, stalking, or lying in wait for any wildlife whether or not such wildlife is then/ or subsequently captured, killed, taken or wounded.

### Age Limit

Only properly licensed youth 10 or older may hunt big game, **except** a 9-year old may buy a license to apply for a controlled hunt, but he or she must be 10 years old at the time of the hunt.

### Bag and Possession Limits

No person may take more than one (1) deer, elk, pronghorn, black bear, or mountain lion during a calendar year except when the person possesses a deprecation hunt tag (deer, elk, pronghorn, and black bear), an extra tag (deer, elk or pronghorn), or a second tag (deer, elk, mountain lion and black bear).

### Mandatory Report Requirements

All deer, elk and pronghorn hunters are required to complete a Mandatory Hunter Report for each tag they purchase. Hunters are required to submit a report by phone or internet within 10 days after harvest. Hunters who do not harvest, or did not hunt with their tag, are required to report within 10 days after the close of the hunting season.

The best way to submit hunt information and the only way to get confirmation that the report was received is to report online. Go to: [idfg.idaho.gov/hunt/report](http://idfg.idaho.gov/hunt/report)

To submit by phone to a live operator, 24 hours a day, seven days a week call toll free 1-877-268-9365.

### Waste of Game

Hunters are required to remove and care for the edible meat of big game animals, **except** black bears, mountain lions and gray wolves. This includes the meat from hind quarters as far down as the hock, meat of the front quarters as far down as the knee and meat along the backbone which is the loin and tenderloin. It does not include meat of the head or neck, meat covering or between the ribs, internal organs, or meat on the bones after close trimming.

### Wounding and Retrieving

No person shall wound or kill any big game animal without making a reasonable effort to retrieve it and reduce it to possession. It is unlawful to enter private property that is posted,

cultivated or in irrigated pasture without landowner permission to retrieve game, see updated trespass law on page 98.

### Electronic Calls

No electronic calls may be used to attract big game for the purpose of harvest, **except** such calls may be used to attract mountain lions, black bears and gray wolves in seasons where approved by Commission proclamation.

### It is Unlawful To:

- Hunt or take any wildlife without a valid hunting license or hunting passport and without required tag or permit in possession.
- Party hunt or help fill another person's tag.
- Shoot from or across the traveled portion, shoulders or embankments of any road maintained by any government entity.
- Hunt big game or game birds from or by the use of any motorized vehicle, including any unmanned aircraft system (drone). Holders of a valid handicapped person's Motor Vehicle Hunting Permit can hunt from a motorized vehicle when the vehicle is stopped and off public roadways.
- Use any motorized vehicle including any unmanned aircraft system (drone), to molest, stir up, rally or drive in any manner any game animal or game bird.
- Operate or use as an aid to hunting a motor vehicle in violation of area, trail, or road restrictions.
- To use aircraft, including any unmanned aircraft system (drone), to locate game or furbearing animals and communicate location to persons on the ground, or to use any helicopter to transport hunters, gear, or game **except** at established landing fields.
- Make use of any aircraft, including unmanned aircraft, to locate any big game animals for purpose of hunting those animals during the same calendar day those animals were located from the air.
- Fail to stop – with or without fish or wildlife – at any Fish and Game check station encountered, even if your hunting, fishing or trapping activity occurred outside of Idaho.
- Fail to produce wildlife for inspection upon request of a conservation officer or other person authorized to enforce Idaho Fish and Game rules.
- To hunt any animal or bird by aid of a spotlight, flashlight or artificial light of any kind; **except** unprotected or predatory animals on private land after obtaining written permission and on public lands after obtaining the required permit from an Idaho Fish and Game Regional office. It is lawful to hunt raccoons on public lands without a permit if such taking is not in violation of state, county, or city laws, ordinances, or regulations.
- Hunt big game with dogs **except** for black bears and mountain lions. The use of one blood-trailing dog controlled by leash during lawful hunting hours and within 72 hours of hitting a big game animal is allowed to track wounded animals and aid in recovery. A hound hunter permit is not required. See page 101 for details.

- Transfer any license, tag, or permit or use another's license, tag, or permit.
- Acquire more controlled hunt tags per species than allowed by Commission rule.
- Destroy or disturb traps, or remove any wildlife from traps belonging to others.
- Enter Idaho with livestock without a health certificate for transport and a brand inspection slip.
- Intentionally interfere with the lawful taking of wildlife or lawful predator control by another.
- To hunt any game animal/bird by means of baiting with the exception of applicable rules for the black bear baiting permit and gray wolf trapping (see black bear and wolf sections). Bait is defined as any substance including grain, salt in any form (liquid or solid), or any other substance placed to attract game animals/birds, **except** synthetic liquid scent for deer and elk.
- Take big game with the aid of radio telemetry; use of telemetry equipment with hounds or other sporting dogs is allowed.
- To possess or transport game or parts (including processed meat) taken by another person without having a completed proxy statement. See page 102.
- Import a carcass or any part of a wild deer, elk or moose from another state, province in Canada or any other country with a documented case of chronic wasting disease. For more information, including exceptions, See page 8 and [idfg.idaho.gov/cwd/laws](http://idfg.idaho.gov/cwd/laws).

### Areas Closed to Big Game Hunting

- All state parks are closed to hunting, **except** Farragut State Park, Farragut Wildlife Management Area, Billingsley Creek Unit of Thousand Springs State Park, Castle Rock State Park, and the City of Rocks National Reserve are open to hunting.
- Part of the Craters of the Moon National Monument and Preserve is closed to hunting. For information visit: [www.nps.gov/crmo/learn/management/lawsandpolicies.htm](http://www.nps.gov/crmo/learn/management/lawsandpolicies.htm)
- Nez Perce National Historical Park in Clearwater, Idaho and Nez Perce counties.
- Harriman State Park Wildlife Refuge.
- That portion of Ada County between State Highway 21, Warm Springs Avenue, and the Boise City limits.
- Yellowstone National Park in Fremont County.
- Any of those portions of state designated wildlife preserves (Myrtle Creek, David Thompson, and Lewiston), state wildlife management areas, Springfield state bird preserve, bird refuges, and bird sanctuaries that have been closed to hunting by legislative or commission action.
- All or portions of national wildlife refuges, **except** as specified in federal regulations for individual refuges.
- All Snake River islands between Glens Ferry bridge and Sailor Creek bridge in Elmore County.
- Hagerman Fossil Beds National Monument in Twin Falls County, **except** that portion within an area 50 feet above the high water level of the Snake River. The upslope area is marked by yellow fiberglass markers, and hunting is permitted downslope to the river.

- Mountain lions and gray wolves may not be hunted or pursued within one-half mile of any active Idaho Fish and Game big game feeding site.
- Black bears and gray wolves may not be hunted or pursued within 200 yards of the perimeter of any designated dump ground or landfill.

### Trespass Law

Persons are required to have written permission or other lawful permission to enter private property. The law specifies:

No person shall enter or remain on private land to shoot any weapon or hunt, fish, trap or retrieve game without written permission or other lawful permission. (See page 2 for lawful permission form.)

A person should know land is private and they are not allowed without permission because:

- The property is associated with a residence or business;
- **OR** cultivated;
- **OR** fenced or enclosed in a way that delineates the private property;
- **OR** unfenced and uncultivated but is posted with conspicuous "no trespassing" signs or bright orange/fluorescent paint at all property corners and boundaries where the property intersects navigable streams, roads, gates and rights-of-way entering the land and posted in a way that people can see the postings.

**Note** – if private property adjoins or is contained within public lands, the fence line adjacent to public land should be posted with "no trespassing signs" or bright orange/fluorescent paint at the corners of the fence adjoining public land and at all navigable streams, roads, gates and rights-of-way entering the private land from public land and posted in a way that people can see the postings.

It is illegal for anyone to post public land that is not held under an exclusive control lease.

Private posting at navigable streams shall not prohibit access to navigable streams below the high-water mark as allowed by Idaho law. See page 121.

A property owner may revoke permission at any time. Any person must leave private property when asked to do so by the owner or agent.

A first conviction of trespass on private property carries a mandatory one-year revocation of hunting/fishing/trapping licenses in addition to misdemeanor fine and seizure of animals taken on private property.

Federal law prohibits unauthorized trespass on Indian-owned reservation lands for hunting, fishing, or trapping purposes.

Refer to Idaho Code 36-1603 and I.C. 18-7008.

### Using Blinds on Public Lands - BLM

Hunting blinds on lands administered by BLM in Idaho must meet certain criteria. For more information and a brochure on blinds on BLM lands, please contact your local BLM field office. For a list of office locations and phone directory, visit: [blm.gov/idaho](http://blm.gov/idaho). The brochure can also be downloaded at: [idfg.idaho.gov/hunt/big-game/blinds](http://idfg.idaho.gov/hunt/big-game/blinds).

## Possession and Sale of Wildlife Parts

Lawfully harvested wildlife parts – **except** edible meat from game animals – may be purchased, bartered or sold when accompanied by a written statement showing said wildlife was lawfully harvested. If black bear, mountain lion or gray wolf parts – excluding tanned or finished rugs or mounts – are sold or bartered, a signed written statement showing the taker’s name, address, license and tag numbers, date and the location of kill must be provided to the buyer. Buyers must submit completed transaction statements to Idaho Fish and Game within 10 days of sale.

Wildlife parts legally harvested outside of Idaho may be possessed and sold in Idaho if such sale is not prohibited in Idaho or the state, province or country where harvested, or by federal law. Chronic Wasting Disease laws may apply see page 8.

It is unlawful to possess any wildlife or parts that were killed, taken or obtained unlawfully.

## Possession and Sale of Wildlife Found Dead

Protected species of wildlife that have died of natural causes are considered property of the state and may not be possessed.

However, big game animal parts, such as hides, horns – **except** horns from bighorn sheep – bones, antlers and teeth, of deer, elk, moose, pronghorn, mountain goat, black bear, mountain lion and gray wolves that have died of natural causes, including legally salvaged road kill, may be recovered, possessed, purchased, bartered, sold or transferred. If sold, black bear, mountain lion and gray wolf parts must be accompanied by documentation on how they were obtained.

Legally salvaged road kill may not be used as bait for hunting or trapping, **except** it may be used as bait for trapping gray wolves statewide. For more information and to complete the required form to legally-salvage road kill, visit

[idfg.idaho.gov/species/roadkill](http://idfg.idaho.gov/species/roadkill) or call a Fish and Game office.

Edible meat from game animals taken from the wild may not be purchased, bartered or sold.

## Recovery, Possession and Sale of Bighorn Sheep Horns

Horns from bighorn sheep that have died of natural causes may be recovered and possessed. All bighorn sheep horns must be presented to Fish and Game for marking with a permanent pin within 30 days of recovery. It is unlawful to sell, barter or purchase bighorn sheep horns obtained under these circumstances, or to transfer ownership of recovered bighorn sheep horns without a permit from Idaho Fish and Game.

## Furbearers

Bobcats, badgers and red foxes are classified as furbearers and may be hunted or trapped only during the furbearer season. No open season exists for lynx, wolverines or fishers. See current Upland Game, Furbearer & Turkey Seasons and Rules.

## Predatory and Unprotected Wildlife

Coyotes, skunks, weasels, jackrabbits, raccoons and starlings are classified by Idaho law as predatory. Eurasian collared-doves, English sparrows and feral pigeons are unprotected. Predatory and unprotected wildlife may be taken in any number year-round and at any time by holders of the appropriate valid

Idaho hunting or trapping licenses, provided such taking is not in violation of state, county or city laws, ordinances, rules or regulations.

## Closed Seasons

There are no open seasons for caribou, bison (buffalo), grizzly bear or lynx. With the exception of bison, these are threatened or endangered species and are protected by state and federal laws. Please report any suspected sighting of lynx to the U.S. Fish and Wildlife Service in Boise at 208-378-5243.

## Protected Nongame and Threatened or Endangered Species

No person shall take or possess wildlife species classified as Protected Nongame or Threatened or Endangered at any time or in any manner, **except** as provided in Sections 36-106(e)5 and 36-1107, Idaho Code, by Commission Regulation, or IDAPA 13.01.10.100.06b.

## Livestock Health Certificate Requirement

Anyone bringing livestock or hunting dogs into the state should call the Idaho Department of Agriculture, 208-332-8540, for health certificate requirements.

## Weed-Free Hay Requirement

On Bureau of Land Management public lands, national forest lands, or Idaho Fish and Game wildlife management areas, anyone using pack animals or straw in their camp must only use weed-free certified hay, forage or straw to prevent the spread of noxious weeds. To obtain an up-to-date list of local growers and vendors with weed-free certified forage for sale, call the Department of Agriculture at 208-332-8592, or check for more information at: [invasivespecies.idaho.gov/weed-free-forage](http://invasivespecies.idaho.gov/weed-free-forage).

## Prescribed Burning

Prescribed burning uses fire to restore forests and rangelands and improve conditions for wildlife. Prescribed fire may be planned in your hunting unit. Stay informed. Contact your local land management agencies.

## Wildlife Violator Compact

Forty-eight (48) states including Idaho have entered into a “Wildlife Violator Compact.” If your hunting, fishing, or trapping license is revoked by any of the member states, all the remaining states may revoke the same license or privilege for the same time period. In addition, any nonresident who does not satisfy the requirements of an Idaho citation will have his or her hunting and fishing license revoked in their home state until those requirements are satisfied. For information on the Compact and a list of member states, go to [idfg.idaho.gov/enforcement](http://idfg.idaho.gov/enforcement).

## Boundary Waters Reciprocal Agreement

The Oregon-Idaho boundary water reciprocal agreement recognizes the legal right to fish, hunt or trap in the waters or on the islands of the Snake River where said river forms the boundary line between the state of Oregon and the state of Idaho by the holder of either a valid Oregon or Idaho license in accordance with the laws and rules of the respective state.

## WEAPON RESTRICTIONS

### Rifle, Shotgun and Airgun

In any hunt, including any-weapon seasons, it is unlawful to pursue or kill big game animals:

- By any means other than approved firearms, muzzleloaders, archery methods and airguns.
- With any electronic device attached to, or incorporated in, the firearm or scope; **except** scopes containing battery powered or tritium lighted reticles are allowed.
- With any firearm that, in combination with a scope, sling and/or any attachments, weighs more than 16 pounds.
- With any fully automatic firearm.
- With any shotgun using shot smaller than #00 buck.
- With any rimfire rifle, rimfire handgun, or muzzleloading handgun, **except** for mountain lions, or legally-trapped gray wolves.

### Short Range Weapons

During a short-range weapon only season, only the following weapons may be used.

Only shotguns using any slug or double-aught (#00) buckshot. Muzzleloaders at least forty-five (0.45) caliber for deer, pronghorn, mountain lion, or gray wolf, or at least fifty (0.50) caliber for elk, moose, bighorn sheep, mountain goat, or black bear. Any bow having a peak draw weight of not less than forty (40) pounds up to or at a draw of twenty-eight (28) inches, or any crossbow having a peak draw weight of not less than one hundred fifty (150) pounds. Any handgun using straight wall centerfire cartridges not originally developed for rifles. Any airgun using pre-charged pneumatic power to propel a projectile (excluding shot and arrows) with unignited compressed air or gas and projectiles at least thirty-five (0.35) caliber for deer and pronghorn antelope or at least forty-five (0.45) caliber for elk and moose.

### Muzzleloader Caliber Requirements

In any hunt, including general any-weapon seasons and short-range hunts, it is unlawful to pursue or kill big game animals with any muzzleloading rifle or musket that is less than .45 caliber for deer, pronghorn, mountain lion or gray wolf; or is less than .50 caliber for elk, moose, bighorn sheep, mountain goat or black bear.

### Muzzleloader Only Season

Any person hunting in a muzzleloader only season, including controlled hunts, must have in their possession a license with a muzzleloader permit validation. During a muzzleloader-only season, it is illegal to pursue or kill a big game animal with any firearm, muzzleloading pistol, or weapon other than a muzzleloading rifle or musket. In addition, the muzzleloading rifle or musket must be:

- Capable of being loaded only from the muzzle.
- Equipped with only open or peep sights. Scopes and any electronics are prohibited, except hunters with a visual disability may apply for a Reasonable Modification Permit to use nonmagnifying or up to 4x power scopes. Application available at Fish and Game regional offices, see page 4.
- Loaded only with loose black powder, loose Pyrodex, or other loose synthetic black powder. Pelletized powders are prohibited.

- Equipped with a single or double-barrel.
- Loaded with a projectile that is within .010 inch of the bore diameter. Sabots are prohibited.
- Loaded with a patched round ball or conical non-jacketed projectile comprised wholly of lead or lead alloy.
- Equipped only with a flint, percussion cap or musket cap. 209 primers are prohibited.
- Equipped with an ignition system in which any portion of the cap is exposed when the weapon is cocked and ready to fire.
- For additional information about muzzleloader equipment visit [idfg.idaho.gov/hunt/weapons/muzzleloader](http://idfg.idaho.gov/hunt/weapons/muzzleloader).

### Archery Equipment

In any hunt, including general any-weapon seasons and short range hunts, it is unlawful to pursue or kill big game animals:

- With arrows or bolts having broadheads measuring less than 7/8 inch in width and having a primary cutting edge less than 0.015 inch thick.
- With any bow having a peak draw weight of less than 40 pounds up to or at a draw of 28 inches or any crossbow having a peak draw weight of less than 150 pounds.
- With an arrow or bolt wherein the broadhead does not precede shaft and nock.
- With any chemicals or explosives attached to the arrow or bolt.
- With arrows or bolts having barbed broadheads, which is a broadhead with any portion of which forms an angle less than 90 degrees with the shaft or ferrule **except** mechanical broadheads.
- With any electronic or tritium-powered device attached to **an arrow (except lighted nocks), bolt (except lighted nocks)**, or bow, except hunters with a physical or visual disability may apply for a Reasonable Modification Permit to use a crossbow or a device that holds a bow at partial or full draw and/or use a scope or sight magnification (including battery-powered or tritium-lighted reticles) that may include magnification up to 4x power. Application available at Fish and Game regional offices, see page 4.
- With any bow capable of shooting more than one arrow at a time.
- With any compound bow set at more than 85 percent let-off.
- With an arrow or bolt, and broadhead with a combined total weight of less than 300 grams.
- With an arrow less than 24 inches from broadhead to nock inclusive.
- With a bolt (crossbow) less than 12 inches from broadhead to nock inclusive.

### Archery Only Season

Any person hunting in an archery only season, including controlled hunts, must have in their possession their license with archery permit validation. During an archery-only season, it is illegal for hunters to use any firearm or implement other than a longbow, compound bow or recurve bow in compliance with general archery equipment requirements, or:

- Any bow equipped with magnifying sights, except hunters with a visual disability may apply for a Reasonable Modification Permit to use up to a 4x scope containing battery-powered or tritium-lighted reticles. (Applications available at Fish and Game regional offices).

- Any crossbow or device that holds a bow at partial or full draw, except hunters with a physical disability may apply for a Reasonable Modification Permit to use a crossbow or a device that holds a bow at partial or full draw. Application available at Fish and Game regional offices, see page 4.

### Airguns

Any airgun used for big game must use pre-charged, pneumatic power to propel a projectile (excluding shot and arrows) with unignited compressed air or gas and bullets at least thirty-five (0.35) caliber for deer, pronghorn antelope, mountain lion, or gray wolf, and at least forty-five (0.45) caliber for elk, moose, bighorn sheep, mountain goat, or black bear.

Fish and Game recommends that airguns used to hunt big game animals be capable of producing at least 350 foot pounds of energy at the muzzle of the barrel.

## HOUD HUNTING RULES

### Dogs

Dogs may be used to pursue black bears or mountain lions in either an open take season where use of dogs is allowed, or during a dog training season open for black bear or mountain lion. Pursuit is allowed regardless of whether a black bear or mountain lion already has been harvested. During a dog training season, black bears or mountain lions may be pursued and treed, but may not be captured, killed, or possessed. Dogs may not be used to take or pursue any other big game species.

Any dog found running at large and actively tracking, pursuing, harassing, attacking or killing any big game animal, **except** black bear and mountain lion, may be destroyed without criminal or civil liability by the director of Fish and Game, any peace officer, or other persons authorized to enforce Idaho wildlife laws.

The use of one blood-trailing dog controlled by leash during lawful hunting hours and within 72 hours of hitting a big game animal is allowed to track wounded animals and aid in recovery. A hound hunter permit is not required.

### Hound Hunter Permit

The following persons must have a valid hunting license and Hound Hunter Permit in possession when any dog is being used to hunt, including training or pursuit only, black bear, mountain lion, bobcat, and fox:

- Anyone who owns the dog
- Anyone having control of the dog if owned by another person
- Anyone that harvests a black bear, mountain lion, bobcat, or fox with the use of dogs. **Except** clients of licensed outfitters are not required to have a hound hunter permit
- Anyone who owns or controls pursuit dogs must purchase a black bear or a mountain lion tag to pursue the respective species. A tag which has been filled is valid for pursuit seasons for that species
- Please consult the current Upland Game, Furbearer and Turkey Seasons and Rules brochure for use of dogs while pursuing bobcats and foxes

**Resident hound hunter permits** may be obtained from any license vendor. There is no limit on the number of resident hound hunter permits.

### Nonresident limitations on hound hunter permits:

Nonresident hound hunter permit applications must be received at the Fish and Game headquarters office by December 1. Permits for the following year are issued in December. Applications are available on the Fish and Game website. No more than 70 nonresident hound hunter permits will be issued to nonresident hunters who are not licensed outfitters (see exceptions for Lolo, Middle Fork and Selway zones below). Nonresident outfitters and guides who have obtained a hound hunter permit shall not use the permit for personal hunting. Sales of nonresident hound hunter permits to the following persons shall not be counted in the quota for nonresidents:

- **Persons who have moved into Idaho** and by notarized affidavit show proof of their intent to become bona fide Idaho residents but are not yet qualified to buy a resident license.
- **Lolo Zone:** Persons who hound hunt solely in game management units within the Lolo Zone (Units 10 and 12).
- **Middle Fork Zone:** Persons who hound hunt solely in game management units within the Middle Fork Zone (Units 20A, 26, and 27).
- **Selway Zone:** Persons who hound hunt solely within the Selway Zone (Units 16A, 17, 19, and 20). A total of 40 permits will be issued for Units 16A, 19, 20, and all of Unit 17, excluding Hunt Area 17-1 which will have 6 permits. Hunt Area 17-1 is defined as that portion of Unit 17 south of the following boundary: Beginning at the junction of the Unit 17 boundary and Forest Service Trail 24, then west along Forest Service Trail 24 to the Selway River, then north along the Selway River to Forest Service Trail 40, then southwest along Forest Service Trail 40 to Forest Service Trail 3, then west along Forest Service Trail 3 to the Unit 17 boundary.

### Hound Hunter Alert

The Selway and Middle Fork zones, and a portion of the Lolo Zone, are wilderness areas. Vehicle access is restricted and rugged terrain can make pursuit extremely difficult. Contact the local Forest Service office for maps showing trails and access. Wolves may be present in any game management unit.

# TAGGING AND TRANSPORTING GAME

## How to Properly Validate a Tag

Immediately after the kill, the triangles denoting the month and day must be cleanly and completely removed. Tearing, slicing or punching the tag is not legal.

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that is defaced or altered

## Proper Tagging and Transportation of Animals and Meat

Immediately after a game animal or game bird requiring a tag is killed, the hunter harvesting the animal must validate and securely attach the appropriate tag to the animal. The validated tag must remain attached to the whole or quartered carcass, or a portion of the edible meat if boned, until the meat is processed and reaches the place of final storage or consumption. For black bear, mountain lion and gray wolf the tag may be attached to the hide.

## Transportation by another, by proxy

Any person who transports wildlife for another person or receives wildlife for cleaning, processing, as a gift, or for storage must have a written proxy statement signed by the person who killed the animal specifying the numbers and kinds of wildlife; date taken; hunter's name and address; license, tag and permit numbers. The proxy form is provided below.

## Preserving Evidence of Sex

Evidence of sex must be left naturally attached to any big game animal.

**Black bear, mountain lion and gray wolf:** External evidence of sex in the form of testicles, penis, scrotum or vulva must be left naturally attached to the hide until the mandatory check requirement has been satisfied.

**Deer, elk and pronghorn:** If the head or antlers are removed, evidence of sex in the form of testicles, penis, scrotum, udder or vulva must remain naturally attached to the whole or quartered carcass, or a portion of edible meat if boned, until it reaches the final place of storage or consumption, or a commercial meat processing facility, AND the horns/antlers must accompany the carcass while in transit.

**Spike elk and two-point deer hunts:** Antlers or horns removed from the head must be unaltered and left naturally attached to each other, AND they must accompany the carcass or parts thereof. Naturally attached evidence of sex requirements also apply.

## Preserving Evidence of Species

In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the whole or quartered carcass, or a portion of edible meat if boned, until it reaches the final place of storage or consumption, or a commercial meat processing facility. Techniques to keep the tail naturally attached when boning the animal include; sawing through the tail bone while keeping the hide attached to the boned meat, or skinning the tail from the tail bone leaving it attached to the boned meat.

# MOST COMMON HUNTING VIOLATIONS

Every hunting season, some individuals unwittingly or knowingly violate the state's game laws – some more frequently than others.

Idaho Fish and Game urge all hunters to review Idaho's hunting rules and regulations to ensure they act within the law.

The following are common violations our officers encounter every hunting season:

- ⊕ **Wrong class license:** It is unlawful for any person to purchase and possess a license of the wrong class. This is commonly individuals who are not residents of Idaho purchasing Idaho resident licenses. See *page 115 for residency requirements.*
- ⊕ **Possession/transportation of big game without evidence of sex:** Failure to leave evidence of sex naturally attached to the carcass, largest portion of meat if boned or hide for mountain lion, black bear and wolf. See *page 102.*
- ⊕ **Unlawful take:** It is the hunter's responsibility to know the season open and close dates, hunt area boundaries, which species and sex may be taken, authorized methods of take such as archery, muzzleloader and any weapon hunt, and what license, tag, and/or permit is required.
- ⊕ **Violate Forest Service road/area closures:** The US Forest Service and Bureau of Land Management establish designated routes in Idaho's National Forests and BLM lands. Please pay attention to the current Motorized Vehicle Use Maps for the areas you hunt.
- ⊕ **Hunt without a tag or with an invalid tag:** It is the hunter's responsibility to know the species and sex their tag is valid for, whether the tag is for a controlled hunt or a general hunt, which zone and dates the elk tag is valid for and hunt area boundaries.

**Persons with questions on these or any other Fish and Game laws and regulations can call any Fish and Game office, see page 4**

## What You Need to Know

Motor vehicles, from pickups and SUVs to motorcycles and ATVs, have changed hunting and some of those changes have created challenges for hunters, land managers and wildlife. Consider the following:

- Roads that are open to motor vehicles increase access into big game habitat, and, as a result, the number of hunters increases. Generally, the number of hunters in an area is directly related to the number of roads.
- The combination of more hunters and their increased mobility in roaded areas increases the vulnerability of deer and elk to harvest. Deer and elk in a heavily roaded area are more likely to be killed during the hunting season, and for that reason these areas have fewer old bulls or bucks. It also means that hunting seasons have to be shorter to prevent over harvest.
- Research shows that slow moving vehicles on primitive roads and trails are more disturbing to elk than fast moving vehicles on highways. Slow moving vehicles traveling cross-country have the same effect. Deer and elk often flee from the sound of motor vehicles and may leave the area.
- Cross-country travel with motor vehicles can create a network of new travel ways that cause erosion, spread noxious weeds, and damage fish and wildlife habitats. Much of this cross-country travel occurs during the hunting season. To reduce these impacts, Idaho's land and wildlife managers ask all hunters using motorized vehicles to stay on roads and trails and use designated routes where they are established. Do not travel cross-country with a motor vehicle.

## Look for Designated Routes on Public Lands

The U.S. Forest Service and Bureau of Land Management have already established designated routes in several areas of Idaho. Please pay attention to the travel system in the areas you hunt.

For more information about travel management on Idaho's Federal lands, contact these offices or websites:

- U.S. Forest Service 208-373-4007 website: [www.fs.fed.us](http://www.fs.fed.us)
- Bureau of Land Management 208-373-4007 website: [www.id.blm.gov](http://www.id.blm.gov)
- Idaho Department of Parks and Recreation online mapping application: <http://trails.idaho.gov>

Access management helps wildlife and hunters. Please observe established road closures and access restrictions. Report road closure violations by calling 1-800-632-5999, or any Idaho Fish and Game, BLM or U.S. Forest Service office.

## Motor Vehicle Use

Wisely managing roads, trails and motor vehicles will:

- Yield more old bucks and bulls.
- Permit more hunting opportunity.

- Allow longer seasons.
- Decrease erosion.
- Reduce conflicts.
- Reduce damage to habitat and the spread of noxious weeds.

Best of all, it will make hunting better.

## Remember!

- Observe road closures and access restrictions.
- Say no to cross-country travel.
- Stay on roads and trails open to motorized travel.
- Use designated routes where they're established.
- Follow Idaho's **Motorized Hunting Rule**.

## Motorized Hunting Restriction Statewide

It is unlawful for a person to hunt any game animals or game birds of the state from or by the use of a motorized vehicle; Idaho Code 36-1101(b)1.

## Motorized Hunting Rule in Designated Units

To resolve many hunters' concerns about off-road travel, the Fish and Game Commission adopted restrictions on motor vehicle use in addition to 36-1101(b)1 while hunting big game animals, including moose, bighorn sheep and mountain goats in designated units. The rule only applies from August 30 through December 31. The rule no longer applies to hunting of upland game birds or upland game animals.

## Motorized Hunting Rule Vehicle Use Hunting Restrictions in Designated Units; IDAPA 13.01.08.411

The use of motorized vehicles by hunters as an aid to hunting big game animals is restricted in certain areas. This use restriction is in addition to all federal, state and local laws, rules, regulations, ordinances and orders; including, but not limited to, any motorized vehicle licensing, registration, and permitting requirements and traffic laws. Hunters must comply with all motorized vehicle limits or prohibitions instituted by the landowner or land manager. Also, this use restriction rule is not an exception from, and is in addition to, the statutory prohibition against hunting from or by the use of any motorized vehicle set forth in Idaho Code Section 36-1101(b)(1).

**Use Restriction:** In designated units from August 30 through December 31, big game hunters may use motorized vehicles only on established roadways which are open to motorized traffic and capable of being traveled by full-sized automobiles.

**Exceptions:** This use restriction rule shall not apply to the following permissible motorized vehicle uses by hunters off of an established roadway:

- a. Holders of a valid Handicapped Person's Motor Vehicle Hunting Permit may use a motorized vehicle as allowed by the land owner or manager.

- b. Hunters may use a motorized vehicle to retrieve downed game if such travel is allowed by the land owner or manager.
- c. Hunters may use a motorized vehicle to pack camping equipment in or out if such travel is allowed by the land owner or manager, but hunters may not hunt while packing camping equipment.
- d. Private landowners, their authorized agents and persons with written landowner permission may use a motorized vehicle on their private land, but they may not hunt from or by the use of any motorized vehicle.

**Restricted Units**

The motorized hunting use restrictions applies to units 29, 30, 30A, 32, 32A, 36A, 37, 37A, 45, 47, 49, 50, 51, 52, 52A, 53, 56, 58, 59, 59A, 66, 66A, 69, 70, 72, 73, 75, 76, 77, and 78.

**Defined Terms**

- a. A full-sized automobile is any motorized vehicle with a gross weight in excess of 1,500 pounds.
- b. An established roadway is defined as any road that is established, built, maintained, approved or designated by any government entity or private landowner for the purpose of travel by full-sized automobiles. An established roadway shows evidence of repeated use by full-sized automobiles, and may include a traveled way of natural earth with depressed wheel tracks and little or no vegetation in the tracks.
- c. A hunter is a person engaged in the activity of hunting as defined in Idaho Code Section 36-202(j). *“Hunting” means chasing, driving, flushing, attracting, pursuing, worrying, following after or on the trail of, shooting at, stalking, or lying in wait for, any wildlife whether or not such wildlife is then or subsequently captured, killed, taken, or wounded. Such term does not include stalking, attracting, searching for, or lying in wait for, any wildlife by an unarmed person solely for the purpose of watching wildlife or taking pictures thereof.*

**Owyhee Wilderness**

The Omnibus Public Lands Management Act of 2009 designated 517,000 acres of public lands in Owyhee County in southwestern Idaho as Wilderness. Please be aware of the wilderness boundaries and regulations. For more information see: [www.blm.gov/idaho](http://www.blm.gov/idaho).

**Highway rights-of-way**

The entire width between the boundary lines of every highway publicly maintained when any part is open to the use of the public for vehicular travel, with jurisdiction extending to the adjacent property line, including sidewalks, shoulders, berms and rights-of-way not intended for motorized traffic. No person shall shoot from a public highway or discharge any firearm from or across a public highway.

**Special Vehicle Restrictions**

State and federal agencies and private landowners have established road closures in key big game areas to protect deer and elk populations. Please check with regional Fish and Game, U.S. Forest Service, or Bureau of Land Management offices for information regarding vehicle restrictions on roads, trails, and unroaded areas.

**NEW OHV LEGISLATION**

Effective January 1, 2020, all **Nonresidents must purchase** a certificate of number sticker from the Idaho Department of Parks and Recreation

**The \$12 fee is allocated as follows:**

- 67-7126 establishment of account- distribution of fees
  - \$1.50 goes to vendor
  - 15% to printing, distribution, and administrative fees
  - \$1 to county law enforcement
  - \$1 to department of lands
  - Remaining portion to trail maintenance and education programs

**The certificate of number sticker can be purchased at [parksandrecreation.idaho.gov](http://parksandrecreation.idaho.gov) or at any vendor. Full vendor list can be found on parks and rec website.**

# KNOW BEFORE YOU GO: MOTORIZED HUNTING RULE

## Motorized Hunting Rule

The Motorized Hunting Rule is specific to hunting big game animals, including moose, bighorn sheep and mountain goat, in designated units, and only applies from August 30 through December 31.

- Between these dates and in the designated units, specific to all big game hunting, hunters may use motorized vehicles only on established roadways open to motorized traffic and capable of being traveled by full-sized automobiles.
- The rule does not apply to hunting upland game birds or upland game animals.

## What is an “established roadway?”

- An established roadway is any road that is established, built, maintained, approved or designated by any governmental entity or private landowner for the purpose of travel by full-sized automobiles. An established roadway shows evidence of repeated use by full-sized automobiles, and may include a traveled way of natural earth with depressed wheel tracks and little or no vegetation in the wheel tracks.

## Where can I find out which are established roads open to use by full-sized vehicles and which are trails on national forest or BLM land?

- For questions about the status of a road or trail in the area you plan to hunt, please contact the appropriate land management agency. National Forest Motor Vehicle Use Maps and BLM Travel Maps list road, trail and other allowable uses. Idaho Department of Parks and Recreation’s Statewide Online Map, available at [trails.idaho.gov](https://trails.idaho.gov), also lists what type of motorized use is allowed on Forest Service and BLM lands statewide, as well as local land management agency contact information.

## Does the rule apply to all hunting statewide?

- No. The rule applies only to hunting of big game animals, including moose, bighorn sheep and mountain goat, in designated units from August 30 through December 31. The rule does not apply to upland game animals or birds in hunts within designated units.

## As a hunter, can I use a motorized vehicle on USFS or BLM designated trails in Big Game Units covered by the motorized hunting rule?

- Only if the use is permissible in the exceptions in the motorized hunting rule. For example, if motorized travel is allowed by the USFS or BLM, you may use a motorized vehicle to retrieve downed game or pack in or out your camping equipment. However, you may not hunt while packing camping equipment. It’s important that you know what specific type of motorized use is allowed for the area you are hunting.
- Hunt Units with Motorized Hunting Rule: See map below.

## What can I do to stay out of trouble or to avoid conflicts with other hunters?

- When in doubt, stay on the road. Know and follow the vehicle use restrictions for the area you are hunting, have applicable maps.

**Hunt Units with Motorized Hunting Rule**  
Dates: August 30 - December 31

Applies **ONLY** to hunting big game animals, including moose, bighorn sheep and mountain goat. Affected units are listed below and are displayed in orange on the map.

Units: 29, 30, 30A, 32, 32A, 36A, 37, 37A, 45, 47, 49, 50, 51, 52, 52A, 53, 56, 58, 59, 59A, 66, 66A, 69, 70, 72, 73, 75, 76, 77, 78

[idfg.idaho.gov/hunt/access/motorized-vehicles](https://idfg.idaho.gov/hunt/access/motorized-vehicles)

No person shall shoot from a public highway or discharge any firearm from or across a public highway.

**Public Highway**

"Public highway" means the traveled portion of, and the shoulders on each side of, any road maintained by any governmental entity for public travel, and includes all bridges, culverts, overpasses, fills, and other structures within the limits of the right-of-way of any such road.

**Road Closures**

State and federal agencies and private landowners have established road closures in key big game areas to protect deer and elk populations. Please check with regional Idaho Fish and Game, Idaho Department of Lands, Forest Service or Bureau of Land Management offices for information regarding vehicle restrictions on roads, trails, and unroaded areas.

# CONTROLLED HUNTS, SPECIAL HUNTS, TAGS AND PERMITS

## What is a Controlled Hunt?

Controlled hunt is a term used to describe a hunt with a limited number of tags allocated by a random drawing, unlike a general season hunt, which allows unlimited numbers of hunters to purchase tags over the counter. Controlled hunts are often desirable because of location and timing, and success rates are usually higher than general season hunts. Hunters with a valid Idaho hunting license may apply, with some restrictions. Hunters successful in drawing must buy the controlled hunt tag for the hunt in which he or she was drawn.

The odds of drawing a controlled hunt tag depend on the number of other applicants and the number of tags available.

### Key Application Dates

- **May 1 - June 5:** First application period for deer, elk, pronghorn and fall bear.
- **Early July:** Winners of first drawing posted at [gooutdoorsidaho.com](http://gooutdoorsidaho.com) and successful applicants notified.
- **August 1:** Deadline for deer, elk, pronghorn and fall bear winners to purchase their controlled hunt tag, **except** those who have drawn an unlimited hunt.
- **Early August:** First day residents and nonresidents may buy leftover nonresident general season deer or elk tags at nonresident prices, as a second tag.
- **August 5-15:** Second application period for deer, elk, pronghorn and fall bear.
- **August 25:** Winners of second drawing will be notified by this date.
- **August 25:** Leftover tags from second drawing go on sale at 10 a.m. Mountain Time.

### Fees

Applicants must submit pay a nonrefundable application fee (per person, per species) with each application. **The fee is \$6.25 for residents and \$18.00 for nonresidents;** \$1 of this fee may be designated to the Citizens Against Poaching program.

### Ways to Apply:

**License Vendors:** Applications will be taken electronically at any Fish and Game office or license vendor locations in Idaho, beginning May 1 through Midnight Mountain Time June 5, or the vendor's normal closing time.

**Internet:** Applications may be submitted on the Fish and Game Website at [gooutdoorsidaho.com](http://gooutdoorsidaho.com). Fees must be paid by Visa, MasterCard or Discover. Applications are processed by an independent contractor. Internet charge is **three percent of the transaction plus \$3.50**. This fee is in addition to the nonrefundable application fee.

**Telephone:** Applications can be placed over the phone by calling 1-800-554-8685. Fees must be paid by Visa, MasterCard or Discover. Telephone applications are processed by an independent contractor. The charge for processing telephone applications is **three percent of the transaction plus \$6.50**. These charges will be explained by operators before the transaction is completed. This fee is in addition to the nonrefundable application fee.

Applications may be processed over the telephone 7 a.m. to 7 p.m. Mountain Time, seven days a week, May 1 through midnight Mountain Time June 5.

**ATTENTION: Fish and Game does not accept mail-in applications for Big Game Controlled Hunts.**

### Eligibility

Any person with a valid Idaho hunting license may apply for a controlled hunt, subject to the following restrictions:

- Holders of a nongame hunting license or hunting passport may **not** apply for any controlled hunt.
- A person who has applied for a bighorn sheep, mountain goat, or moose controlled hunt may not apply for any other controlled hunt in the same year, **except** unlimited controlled hunts, a controlled black bear hunt, controlled turkey hunt, extra deer, extra elk, or extra pronghorn controlled hunts, or a designated depredation hunt. In addition, applicants for bighorn sheep, mountain goat or moose controlled hunts are eligible to participate in the second deer, elk and pronghorn application period and in first-come, first-served deer, elk and pronghorn controlled hunt tag sales.

**Controlled Hunt Waiting Period:** There is a waiting period for any person that draws on the following controlled hunts

- Antlered-only deer and antlered-only elk. Any person whose name was drawn on a controlled hunt for antlered-only deer or antlered-only elk is not eligible for the following one (1) year to apply for any controlled hunt for the respective species drawn (antlered-only deer or antlered-only elk). For example, a hunter who drew a tag in an antlered-only deer hunt in 2020 cannot apply for another antlered-only deer hunt until 2022, in the first application period.
- **Beginning July 1, 2021** any person whose name was drawn on a controlled pronghorn hunt for any pronghorn (including either sex, and doe and fawn) is not eligible in the following one (1) year to apply for any controlled hunt for pronghorn. For example, a hunter who draws a tag for pronghorn in 2021 cannot apply for another pronghorn hunt until 2023, in the first application period

### Exceptions to controlled hunt waiting periods:

- A person drawn in the previous year remains eligible to apply for controlled hunts (for the respective species drawn) in the second application period during August, controlled hunts with an unlimited number of tags, or Landowner Appreciation Program hunts.
- There is **no** waiting period to apply for black bear controlled hunt tags.

**Tags:** No person may participate in any controlled hunt without a valid controlled hunt tag in their possession. Tags issued based on erroneous information are invalid, and may not be used. Fish and Game will notify the person if the tag has been invalidated. The person will remain on the drawn list, and if there is a waiting period in a succeeding year, the person will be required to wait the specified time period.

# Controlled Hunt Application Worksheet\*

## To Complete the Application Worksheet

Enter name, date of birth, and complete 11-digit number hunting license number for each person on the application.

Enter the complete four digit hunt number (not hunt area) of your first and second choice (optional). Controlled hunt numbers are found in the left hand column of the controlled hunt tables.

The hunt numbers are subject to change, so be sure to use the current seasons and rules brochure when applying for any deer, elk, pronghorn or black bear controlled hunts.

Applications can be submitted at any Fish and Game offices and license vendors. Applications also can be made using your credit card by calling 1-800-554-8685. The charge for processing phone-in applications is 3 percent of the transaction plus \$6.50. Internet applications can be made on the Fish and Game website at **gooutdoorsidaho.com**. The charge for internet applications is 3 percent of the transaction plus \$3.50.

Any person desiring to change an application after it has been submitted may cancel it at a Fish and Game office. You must pay all controlled hunt application fees again when re-applying.

**\*Controlled Hunt Applicants:** Use this worksheet to collect all your information before applying for your controlled hunt. *Fish and Game will not accept mail-in applications for the controlled hunts.*

**Residents - if applying for a CH Elk tag, waiting periods may apply for capped general elk tags, see page 112.**

**Controlled Hunt Applicants: Use this form for one species application only. You may photocopy this form. Application fee is Resident \$6.25, Nonresident \$18.00 per person per species.**

Controlled hunt tags may be exchanged for general season tags if done before the opening of the controlled hunt. Exchange must be completed at a Fish and Game office, or by sending the original tag along with a written request to have the hunt removed from their record. If there is a waiting period in a succeeding year, the person will be required to wait the specified time period before applying for that hunt again. Written requests should be sent to Idaho Fish and Game, P.O. Box 25, Boise, Idaho 83707, Attention: Licensing.

Any person whose name is drawn in a controlled hunt for deer or elk is prohibited from hunting in any other hunt for the same species (archery, muzzleloader or general), except when the hunter has drawn an extra controlled hunt tag or depredation hunt, or has purchased a leftover nonresident general season tag for that species at the nonresident price.

**Group Application:** Two to four hunters applying together on the same application for the same deer, elk or pronghorn controlled hunt is considered a group application. Two hunters applying together on the same application for the same black bear, turkey, moose, bighorn sheep, or mountain goat controlled hunt is considered a group application. All hunters applying together must comply with all rules and complete the application form properly. All must abide by the same first and second choice hunts. If one applicant is ineligible to draw, the entire application will be declared void and will not be entered in the drawing.

Single or group applications which are not drawn for the first choice hunt will automatically be entered into a second choice drawing, provided the second choice hunt applied for has not been filled.

**Nonresident Tag Limitations:** In controlled hunts with 10 or fewer tags, not more than one nonresident tag may be issued. In controlled hunts with more than 10 tags, **except** unlimited controlled hunts, not more than 10 percent of the tags may be issued to nonresidents.

**Attention:** The Idaho Fish and Game Commission limited Nonresident tag numbers in some unlimited controlled hunts. Tag limits are shown in the notes section for those hunts where tag numbers were limited for nonresidents.

#### Restrictions:

- Only one application per person or group will be accepted for a species, **except** a person or group may submit one additional application per species for an extra hunt. Additional applications for the same person or group for the same species will result in all applications being declared ineligible.
- If a group application exceeds the number of tags available in a hunt, that application will be voided.
- If a resident applies for a controlled hunt on a group application with a nonresident, and the 10-percent nonresident limitation has been met, the entire group application will be voided, including for the resident.

#### Refunds and Overpayment

Fees for hunting licenses will not be refunded to unsuccessful or ineligible applicants. Application fees for controlled hunts are not refundable.

## Drawing Results

**Applicant Notification:** It is the responsibility of the hunter to find out whether he or she was successful in drawing a controlled hunt. All applicants will receive an email with their draw results if there's a valid email in their license profile. Successful applicants will be mailed a post card at the address listed on their hunting license, by March 10 for spring black bear, and by early July for all other big game.

Applicants can login to [license.gooutdoorsidaho.com](http://license.gooutdoorsidaho.com) to view draw results.

## Purchasing Deadline

**Successful applicants for deer, elk, fall black bear or pronghorn controlled hunts must purchase their controlled hunt tag no later than August 1** (except unlimited tags), at any license vendor, Fish and Game office, through the Internet at [gooutdoorsidaho.com](http://gooutdoorsidaho.com), or by telephone at 800-554-8685. Controlled deer, elk, pronghorn or fall bear hunt tags not purchased by this deadline (excluding unlimited tags) will be forfeited by the hunter and placed into the second drawing.

**Applicants who already have a general season tag must return the general season tag to a Fish and Game office to be exchanged for the appropriate controlled hunt tag.**

## Leftover Controlled Hunts

**Second drawings:** To ensure everyone has equal opportunity at leftover and unclaimed controlled hunt tags from the first drawing, there will be a second application period from August 5 through Midnight Mountain Time August 15. The drawing for these tags will occur in late August.

Any tags not drawn in the second drawing will be sold first-come, first-served August 25, 2022 at 10 a.m. Mountain Time. The 10 percent nonresident quota and the waiting period restrictions do not apply in the second drawing or leftover sales. **Applicants purchasing a leftover tag must submit the nonrefundable application fee.**

Any leftover controlled hunt tags for spring black bear go on sale April 1.

## Extra Controlled Deer and Elk Hunts

All controlled deer and elk hunt areas designated by an "X" are extra controlled deer or elk hunts, usually for antlerless deer or elk. Hunters may apply for a controlled hunt and an extra controlled hunt on a separate application. For example, you may apply for a regular controlled deer hunt and a second controlled deer hunt application for an X hunt. Hunters also may buy a general deer and elk tag, and apply for an X hunt. If you draw a tag for an X hunt, you could harvest a deer or elk during the general season and a second deer or elk in the extra controlled hunt. A person is allowed only one (1) extra tag per species in a calendar year.

## Unlimited Controlled Hunts

Unlimited controlled hunts are hunts in which only those who apply during the first controlled hunt application period can obtain a tag. Some unlimited controlled hunts are designated as first choice only. Hunters may only apply for those designated hunts as their first choice.

## Tag Designation to Youth

The holder of a controlled hunt tag for big game, **excluding** moose, bighorn sheep and mountain goat, may designate that tag to his or her child or grandchild under the age of 18 who is otherwise qualified to participate in the hunt. The child or grandchild may be designated only one controlled hunt tag per species per calendar year. The designation must be made before the opening date of the hunt. Also, resident adults can only designate tags to resident youth; Nonresident adults can only designate tags to nonresident youth.

Individuals who draw a tag in the first drawing where waiting period rules apply and designate the tag to a youth, are still subject to the appropriate waiting period rules.

For more information, please contact the local Fish and Game office or visit us online at [idfg.idaho.gov/license/applications](https://idfg.idaho.gov/license/applications).

## YOUTH ONLY HUNTS; DEPREDATION HUNTS; OTHER HUNTS, TAGS AND PERMITS

### Youth Only Hunts

Some controlled hunts are limited to youth only. See page 113 for more information. Only hunters under 18 years of age with a valid license may apply for a youth-only hunt, **except** hunters 65 or older, or those possessing a disabled combination license, or a nonresident disabled American Veteran hunting license may buy a leftover youth-only controlled hunt tag, first-come, first-served, beginning at 10 a.m. Mountain Time, August 25, 2022.

### Depredation Hunts

These hunts are sometimes used to relieve big game damage problems on agricultural operations. If these hunts are needed, they will be held on short notice, involve small areas and be limited to a few hunters.

Idaho residents with a valid hunting or combination license can complete the application form on page 119 and mail it to the regional office in the management unit(s) they are willing to hunt. Up to two people can apply together for deer, elk, pronghorn, black bear and turkey. **However, hunters may only submit one application per species per year.** Applying for the same species in more than one region will result in disqualification from all regions. Hunters may apply for different species in the same region.

Applications received May 1 to June 30 will be drawn for depredation hunts in random order. Applications received after June 30 will be added to the end of the list in the order received. The list will be valid from July 1 to June 30 the following year. Generally, applications received after June 30 will have little chance of being selected.

Most regions issue only a handful of depredation tags each year. If a controlled antlerless or doe/fawn hunt is open or about to open in the depredation area, holders of those tags may be given the first option to participate in the depredation hunt. After antlerless or doe/fawn controlled hunts have ended, participants will be selected in order from the depredation hunt list. For more information, contact a regional office, see page 4.

## Landowner Permission Hunts

These hunts are a form of depredation hunts. They are established in areas with chronic problems where depredation hunts are an annual occurrence. **Do not apply for these hunts during the controlled hunt application period.** Instead, Landowner Permission Hunt forms (a triplicate form provided by Fish and Game) are provided to landowners prior to the season or upon verifying a depredation problem that cannot be resolved by non-lethal means. Landowners can then provide the permission form to hunters. Landowners and hunters must fill out and sign their respective portions of the forms. Hunters must provide one copy of the form to the landowner and bring the remaining two copies to a Fish and Game office where they can purchase their controlled hunt tag after July 15 as a leftover.

## Idaho National Laboratory (INL) Elk and Pronghorn Permit

A pass is required from Fish and Game offices in Pocatello and Idaho Falls to hunt elk in the Lemhi, Beaverhead or Snake River Elk Zones or pronghorn in Units 51, 58, or 63 within one-half mile inside the north and east boundary of the Idaho National Laboratory, which is adjacent to agricultural land. Hunting of all other species on INL land is prohibited.

## Landowner Appreciation Program Tags

Idaho Code authorizes the Idaho Fish and Game Commission to establish a limited number of controlled hunt tags for landowners that provide important wildlife habitat values for deer, elk, or pronghorn. Landowner Appreciation Program (LAP) tags are made available, through a separate drawing process, in areas where hunting opportunity is limited to controlled hunts as partial recognition for landowners supporting wildlife and maintaining the hunting heritage.

LAP tags are in addition to tags available in regular controlled hunts. In most cases, LAP tags are set at an additional 10 percent of the regular controlled hunt level. In a few areas, such as Units 40, 41, 42, 45, and 52, the Commission has authorized LAP tag levels at an additional 25 percent of regular controlled hunt levels for some species. Registered Landowners with at least 640 acres that provide significant habitat values for deer, elk or pronghorn are eligible to apply through a separate drawing held after June 15 and may or may not successfully draw depending on the number of landowners applying and the number of tags available. Registered Landowners with at least 320 acres are eligible to apply for any leftover tags after the first landowner tag drawing. If successful, a landowner may designate his or her tag to another individual.

## Idaho state law prohibits selling or marketing landowner appreciation tags.

For additional information concerning LAP, including land registration, application process, and landowner eligibility rules contact a Fish and Game office, see page 4.

## OTHER TAG INFORMATION

### Exchanging Deer or Elk Tag

General season tag exchanges must be completed at any Fish and Game office before the first day of any open hunt for the tag a person holds. The cost to exchange a general season tag is \$3.75. Deer hunters may exchange a general season regular deer tag for a white-tailed deer tag or vice versa; and elk hunters may exchange general season elk tags for use in another zone. For elk general seasons with a tag quota, the exchange must be made before the quota has been met.

### Junior Resident General Elk Tag

Junior resident elk hunters who purchase a general season elk zone tag while they are between ages 10 and 17, inclusive, may participate in any A or B tag elk season within the specified zone until they are 18 years of age, regardless of whether they purchased an A tag or B tag. All other season, weapon restrictions, and commission rules apply. Controlled hunts are excluded. Controlled hunts are excluded.

### Nonresident Deer or Elk Tag for Black Bear, Mountain Lion or Gray Wolf

A nonresident deer and elk tag, **excluding** a nonresident junior mentored tag, issued for deer or elk may be used to take a black bear, mountain lion, or gray wolf during any open general season corresponding to the deer or elk tag hunt area or unit when the season for the black bear, mountain lion, or gray wolf taken is also open. Hunters may buy other bear, lion or wolf tags, but after the deer or elk tag is used to harvest a deer, elk, black bear, mountain lion, or gray wolf, a second deer or elk tag may not be purchased – except by buying a leftover nonresident general season deer or elk tag when available.

### Resident Purchase of Nonresident Deer or Elk Tag

Residents and nonresidents may buy one general season nonresident deer tag and/or elk tag at the nonresident price starting August 4, to use as a second tag as long as there are tags available in the quota. Limitations on available zones for elk and units for deer may apply. **Except** second nonresident deer tags cannot be used as a second deer tag in Units 10, 10A, 12, 16A, 17, 19 and 20. Second elk tags are not available for the Elk City Zone. This second nonresident general season deer or elk tag may also be used to tag a black bear, mountain lion or gray wolf instead of a deer or elk. **Hunters who have purchased a bear or lion tag at the full price will not get a refund to purchase a reduced bear or lion tag.**

### Attention Resident Elk Hunters

If you apply for a controlled elk hunt in 2021 and 2022, you cannot buy a capped elk zone tag until five (5) days after they go on sale regardless of whether you draw a controlled hunt elk tag. Elk controlled hunts exempt from the waiting period:

- Super Hunts
- Extra antlerless hunts
- Depredation hunts

## Nonresident Tag Quotas

There is a quota on nonresident deer and elk tags. For more information about other nonresident tag limits, see page 9. Quotas may be exceeded under the following conditions:

- Persons who have moved into Idaho and are establishing residency who can, by affidavit, show proof of their intent to become bona fide residents, but are not yet fully qualified to buy a resident license, may purchase a nonresident deer tag and nonresident elk tag (except where a capped zone may be sold out) through the headquarters or regional offices.

**NOTE:** The process for designating a buyer for a returned nonresident tag has been revised as follows:

Fish and Game may, upon receipt of an unused nonresident deer or elk tag and a notarized affidavit stating that the tag holder has not hunted, issue a nonresident tag before the opening of the season for which the tag is valid as follows:

- To another nonresident designated by the original tag holder; buyer is being used to describe the person who'll be buying the returned tag. The designation is for a tag from the nonresident quota, it is not a guarantee that the designee may purchase the same tag that was returned. For example, if a nonresident returns a Sawtooth zone elk tag after sell-out, their designee is not guaranteed a Sawtooth elk tag but the designee is guaranteed a nonresident elk tag from the nonresident quota, including any capped zones that have not sold out.
- If the buyer does not make a choice and has retained an outfitter or guide, the outfitter or guide may make the designation.
- If no designation is made by the above, Idaho Fish and Game may sell the returned tag on a first-come, first-served basis. The designated buyer will pay the regular fee for the returned tag.

# YOUTH HUNT INFORMATION

## FOR BIG GAME

### Youth Hunts

- Hunters must be 10 to 17 years of age to hunt big game in units designated for youth.
- Hunters must be 10 to 17 years of age to apply for a youth-only big game controlled hunt, except a 9-year old may apply for a controlled hunt, provided they are ten (10) years of age when they participate in the hunt for which they are applying. Hunters who apply for a youth only controlled hunt while 17 and turn 18 before the youth controlled hunt can still participate in the hunts designated for youth.

### Three-year Licenses

- If the youth becomes a resident of another state, this license remains valid but cannot be used to purchase resident tags.
- If the youth purchases the multi-year junior combination or hunting license while 17, he or she may continue to purchase the junior priced tags through the valid dates of the license. Youth hunt restrictions based on age still apply. A holder of a multi-year junior combination or hunting license over the age of 17 cannot participate in big game hunts designated for youth and cannot apply for youth only controlled hunts.

### Junior Licenses

Only properly licensed youth 10 or older may hunt big game, except a 9-year old may buy a license to apply for a controlled hunt provided they are ten (10) years of age when they participate in the hunt for which they are applying. They cannot participate in the hunt until they are ten (10).

#### Resident

- All resident youth younger than 12, who possess a junior hunting license, must be accompanied by a licensed adult 18 years of age or older and be close enough to be within normal conversation or hearing range without shouting or the aid of electronic devices.
- All hunters possessing a Hunting Passport must be accompanied by a licensed adult 18 years of age or older and be close enough to be within normal conversation or hearing range without shouting or the aid of electronic devices.

#### Nonresident

- Nonresident youth ages 10 to 17, who possess a nonresident junior mentored hunting license, must be accompanied by a licensed adult 18 years of age or older and be close enough to be within normal conversation or hearing range without shouting or the aid of electronic devices. The licensed adult must have a current year tag which is valid for the same species, and may hunt while participating in the mentored hunting program. The licensed adult may not accompany more than two youth at a time. A tag that has already been filled still meets the tag possession requirement.
- Nonresident youth ages 12 to 17, who possess a full price hunting license are not required to follow the “accompanied by” rule in the field.

# LICENSES, TAGS AND PERMITS

## To Buy a License, Tag or Permit

- Visit an Idaho Fish and Game office or license vendor.
- Download the “GoOutdoorsIdaho” mobile application from the Google Playstore or Apple Appstore.
- From your computer or mobile device, go to **GoOutdoorsidaho.com**
- Within the United States call 1-800-554-8685.
- For an overview of all license buying options, visit **idfg.idaho.gov/buy**
- Commercial licenses, duplicate tags, documents that require proof of disability, lifetime certificates, and bear baiting permits may be purchased only at Fish and Game offices.

When buying licenses by telephone, the buyer will be assigned a confirmation number that may be used in lieu of the actual license for 14 days from the date of issue. When this number is used, the person must carry their driver’s license or identification card. A confirmation number may not be used in lieu of a tag or permit such as salmon/steelhead or Upland Game Bird Permits. Purchasers must wait until tags or permits arrive in the mail.

**Licenses purchased online must be printed from the buyer’s computer; they will not be mailed. However, all tags and notchable permits will be mailed.** A confirmation number may not be used in lieu of a tag or salmon/steelhead permit. Purchasers must wait until tags or permits arrive in the mail.

The charge for phone-in purchases is three percent of the transaction plus \$5.50 (unless requesting a license be mailed then \$6.50); the charge for online purchases is three percent of the transaction plus \$3.50 (unless requesting a license be mailed then \$4.50.)

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that has been defaced or altered.

**Nonresidents:** If you hunt with an outfitter in Idaho, the outfitter should buy your tags through the “outfitter set-aside” pool of tags.

**Sale Dates:** Most licenses and tags go on sale December 1, but resident deer, and elk tags are not available until after the controlled hunt drawings are done. Sage Grouse tags go on sale August 1. Most licenses are valid only for the calendar year for which they are issued.

## Hunter and Bowhunter Education

- To buy a hunting license, all hunters must show proof that they have completed a hunter education course if they were born on or after January 1, 1975, unless they have held a valid hunting license from Idaho or another state.
- To buy an archery permit, all bowhunters must possess a valid hunting license and show proof they have completed an approved bowhunter education course or show evidence of having been licensed for an archery-only hunt in Idaho or another state, or complete an affidavit to that effect.
- Course and registration information can be found on Fish and Game’s website or by contacting any Fish and Game office.
- **Individuals planning to participate in fall hunts are encouraged to enroll in a course before June 30, as the number of courses offered becomes very limited closer to fall hunting seasons.**

- Prospective hunters have two course options to receive their certification: **Instructor-led Course** – 12 to 18 class hours plus an outdoor field day and final written exam. **Online Course** – A self-paced, online instruction and an online exam. An additional outdoor field day may be required for hunter certification, check **idfg.idaho.gov/hunt/education**.

## Refund Policy

No refunds will be made on resident licenses, tags or permits. No refunds will be made on fishing licenses. Nonresident hunting licenses and tags may be refunded less issuance fees and a \$50 processing fee, in the event of:

- Illness or injury that disables a license holder for the entire applicable hunting season.
- Military deployment of license holder due to armed conflict.
- Death of the license holder’s parent, spouse or child.

Tags and license must be returned with proof (death certificate, obituary, written justification by a licensed medical doctor, or copy of military orders). Hunting license fees will not be refunded after the license is used to apply for a controlled hunt or to buy a turkey, mountain lion or bear tag. The request must be postmarked by December 31 of the year in which the license was valid, except for “event of death” refund, which must be submitted within 1 year of the death.

A controlled hunt permit and tag may be made available in the same hunt for purchase by an immediate family member of a person who died before using his or her tag. Contact Licenses at (208) 334-2592.

If a refund is requested for any other reason, only the tag fees (not the license or permit fee) may be refunded at the following sliding scale rate:

- Postmarked before April 1 – 75 percent refund.
- Postmarked April 1 through June 30 – 50 percent refund.
- Postmarked July 1 through August 31 – 25 percent refund.
- Postmarked September 1 through December 31–No refund. For more information please visit **idfg.idaho.gov/nonresident-refund-information**.

## Resident Disabled Licenses

Any resident certified as permanently disabled or eligible for federal supplemental income (SSI), social security disability income (SSDI), railroad retirement board disability, a nonservice-connected veteran’s pension, or a service-connected veteran’s disability benefit with 40 percent or more combined/overall disability rating, may qualify for a “disabled” license. An applicant must provide either a benefit verification letter from the Social Security Administration in their name showing they are receiving SSI or SSDI benefits for the current year, or a letter from the Railroad Retirement board verifying disability status and being dated within 3 years preceding application for a license, or an official identification card issued by the U.S. Department of Defense, or a letter of any date from the U.S Department of Veterans Affairs verifying a service-connected disability rating of 40% or greater, or a current year’s letter from the Veteran Affairs office showing the applicant is receiving

a nonservice-connected pension, or a form prescribed by the department that certifies permanent physical disability. A physically disabled person means a person who has lost the use of one (1) or both lower extremities or both hands, or is unable to walk 200 feet or more unassisted by another person or without the aid of a walker, cane, crutches, braces, prosthetic device or a wheelchair, or is unable to walk 200 feet or more without great difficulty or discomfort due to one or more of the following impairments: neurological, orthopedic, respiratory, cardiac, arthritic disorder, blindness (a medically documented loss or impairment of vision and includes any person whose visual acuity with correcting lens does not exceed 20/200 in the better eye, or whose vision in the better eye is restricted to a field which subtends an angle of not greater than 20 degrees), or the loss of function or absence of a limb.

An applicant may present a valid Idaho driver's license if the holder meets disability requirements or section 49-117(7)(b), Idaho Code, and license is marked as disabled.

Disabled licenses may be purchased at Fish and Game offices, selected license vendors (see website for list), and through the mail.

### Disabled Hunter/Companion

The rules for a companion assisting a disabled hunter allow the companion to take an animal that has been wounded by the disabled hunter and to place and validate the disabled hunter's tag on the animal.

The rules apply for disabled hunters who possess a valid disability license, disabled archery permit, a disabled hunt-from-a-motor-vehicle permit and a valid tag, or a disabled veteran participating in a hunt as provided in section 36-408(7), Idaho Code, and has a valid tag or permit.

The companion is not required to have a tag or controlled hunt permit to assist a disabled hunter. However, the companion must have a valid license and applicable special weapon permit (i.e. – for an archery only hunt, the companion would need an archery permit) when assisting a disabled hunter.

The companion must have a written statement of designation from the disabled hunter while hunting with the disabled hunter or assisting them with taking and tagging their harvested animal. The statement must include the disabled hunters name, address, hunting license, big game tag number and the dates of the designation as a companion.

The companion must accompany the disabled hunter while hunting and they are required to be within normal conversation or hearing range without shouting or the aid of electronic devices.

For more information about the rules for a companion to a disabled hunter, please contact your local Fish and Game office.

### Resident Lifetime License Certificates

The purchase of a lifetime certificate could be the best investment you ever make. Lifetime certificates authorize all privileges associated with a corresponding annual license, are valid for the life of the certificate holder and are available to Idaho residents. The lifetime certificate does not include tags and permits. If a lifetime certificate holder moves out of Idaho, they will continue to receive an annual license, but will pay nonresident tag and permit fees. Lifetime certificates can be purchased at IDFG offices only.

Applicant	Combination	Hunting	Fishing
0 - 1 year	\$795.50	\$276.75	\$601.75
2 - 50 years	\$1,113.00	\$386.75	\$841.75
51 and older	\$636.75	\$221.75	\$481.75

### Idaho Residency Requirements

Proof of residency is required to buy any resident license. A previous year's license is not proof of residency.

**1. Drivers must present:** A valid Idaho driver's license and must have been domiciled in the state of Idaho for the last six months immediately prior to purchasing a resident license, tag or permit. Owning real property or paying property taxes within the state of Idaho does not in itself establish residency. You cannot claim resident privileges in any other state or country if you intend to claim residency and purchase resident licenses in the state of Idaho.

**2. Non-drivers must present:** An Idaho identification card issued by the Department of Transportation; or a combination of two documents bearing your name and address but not issued by yourself.

#### Examples include:

- Home utility bills for the previous six months.
- Rent receipts or mortgage statements for the previous six months.
- Notarized statement from an employer on business letterhead.
- Proof of voter registration dated six months prior.
- For a minor child under 18, identification from a parent.

**3. Military members:** A member of the military service of the United States or a foreign country, state National Guard or Air National Guard, together with spouse and children under 18 years of age, residing in his/her household, who have been officially transferred, stationed, domiciled and on active duty in the state of Idaho for a period of 30 days last preceding application, as long as such assignment continues, is eligible to purchase a resident license.

To show eligibility you need: A current "Military Status and Residency Affidavit" signed by first sergeant, section commander or commander; or a current request and authorization for permanent change of station showing a 'report no later than' date within the last 60 days; or a combination of two documents given in number two (2) above dated thirty (30) days prior.

This is a summary of residency requirements, for additional details see Idaho Code 36-202(S) and 36-405; online at [idfg.idaho.gov/title36](http://idfg.idaho.gov/title36) and [idfg.idaho.gov/idapa13](http://idfg.idaho.gov/idapa13) or contact your local Fish and game office. Persons who do not qualify as residents must purchase a nonresident license.

### Hunting Passports

Hunting Passports are available only to first time hunters. Anyone who has previously held a hunting license in any state is not eligible. For more information, visit: [idfg.idaho.gov/hunt/passport](http://idfg.idaho.gov/hunt/passport), or contact your local Fish and Game office.

Every year, 34 lucky hunters walk into the field with special Super Hunt tags in their pockets. These tags allow a hunter to pursue an elk, deer, pronghorn or moose in any open hunt in Idaho. This thrill is quadrupled for two Super Hunt Combo winners who are able to hunt all four species in any open hunt.

The freedom to pursue world-class big game in Idaho is an experience winners will long remember.

## How to Enter

For as little as \$6 you have a chance to win an Idaho Super Hunt.

- Each Super Hunt entry for a specific species costs \$6.
- Each Super Hunt Combo entry costs \$20.

*No license is needed to enter and hunters can enter as many times as they like.*

**To submit your Super Hunt entries:**

- Entries can be submitted online at [GoOutdoorsIdaho.com](http://GoOutdoorsIdaho.com), at any IDFG regional office, at a license vendor location, or by phone at 1-800-554-8685. Internet and telephone transaction include additional processing fees.
- Order forms and a check made payable to IDFG License Section can be mailed to P.O. Box 25, Boise, ID 83707
- If submitting by mail, make sure the entry order form is complete, and that you mark the species and number of entries you want

## Super Hunt Drawings

There are two Super Hunt Drawings, one in June and another in August.

- Entries for the first drawing must be received at Fish and Game headquarters no later than May 31. Winning entries will be drawn in June.
- Entries for the second drawing must be received no later than August 10. Winning entries will be drawn in August.

Please note, Super Hunt tags are in addition to any general and controlled hunt tags a hunter has applied for or may already hold. All other rules of individual hunts apply.

Hunters can use this tag in any general or controlled hunt season for the species.

Visit Idaho Fish and Game's website [idfg.idaho.gov/superhunt](http://idfg.idaho.gov/superhunt) for more information and Super Hunt stories.

# NAVIGABILITY AND PUBLIC ACCESS

(Refer to Idaho Code 36-1601)

Navigable streams are defined as any stream which, in its natural high-water condition, will float logs or any other commercial or floatable commodity, or is capable of being navigated by oar or motor propelled small craft for pleasure or commercial purposes. Navigable streams are recognized as public transportation corridors, thus members of the public have the right to use the corridor, provided they enter and exit the corridor at a public right of way, and remain within the corridor. Many navigable streams flow through private property, thus it is important that anglers know their rights and responsibilities when fishing in navigable waters that flow through private property.

When fishing in navigable streams bordered by private property:

- You must stay within the normal high-water marks of the stream, unless you have landowner permission to get out on the bank, or have no other means of getting around an obstruction in the stream (such as a fence or diversion dam).
- When getting outside of the stream to go around an obstruction, take the shortest, most direct route around the obstruction to get back in the stream.
- Do not allow pets or children to trespass on adjacent private property, without landowner permission.
- You may enter and exit navigable streams at other public rights of way, such as county road bridges.
- **ASK FIRST!** Always get landowner written permission or other lawful permission before crossing private lands outside of a public right of way.

# A TRUE SPORTSMAN RESPECTS THE PRIVATE LANDOWNER

Treat landowners as you would like to be treated, and treat their land as you would like yours to be treated.

## ALWAYS...

- Ask Permission
- Leave Gates As You Found Them
- Don't Litter
- Be Courteous
- Don't Drive Off Established Roads
- Express Your Thanks

# WHEN NOXIOUS WEEDS MOVE IN, BIG GAME MOVE OUT!

Noxious weeds replace native plants and destroy antelope, elk, deer, and other big game habitat. Most noxious weeds are not suitable for big game forage. Big game will leave areas infested by noxious weeds in search of better habitat.

## HERE'S HOW YOU CAN HELP:

Clean weeds and weed seeds off of your hunting gear and ATVs. This helps prevent their spread.

## LEARN ABOUT LEAD

### Hunter Information:

- Lead can be toxic if ingested, and the toxicity level depends on the level and frequency of exposure.
- People can ingest lead particles from bullets or shot in hunter harvested game animals.
- Lead particles in game meat may be too small to detect by sight, feel or taste.
- Lead shot is banned in the U.S. for waterfowl hunting, but is still used for other purposes.
- Wildlife can be poisoned from ingesting lead.

### Reduce Your Risk:

- Use non-lead, copper or other high-weight retention ammunition.
- Liberally trim around the wound channel.
- Discard meat that is bruised, discolored or contains hair or feathers, dirt, bone fragments, or plant material.
- Use caution when rinsing the carcass to avoid spreading lead fragments.
- Ground game meat has more lead fragments than steaks and chops.
- Ask commercial processors not to combine meat from other hunters with yours.
- Avoid cooking game meat with acidic substances like vinegar or wine.
- Practice good marksmanship.
- Practice clean field handling techniques.

# REPORT WILDLIFE CRIME POACHING IS STEALING

©Roger Phillips

Idaho is a member of the Wildlife Violator Compact, which means that if an individual's hunting, fishing or trapping license is revoked by any of the 48 member states; all the remaining states will revoke the same license or privilege for the same time period.

Anyone with information about a wildlife violation are encouraged to "Make the Call" and contact the Citizens Against Poaching (CAP) hotline at **1-800-632-5999**. Callers may remain anonymous, and they may be eligible for a reward.
